

EXPLANATION

63-47

— 200 —
Water-level contour

Drawn on top of principal pumped zone of semi-confined aquifer system. Dashed where inferred. Contour interval 25 feet; datum is mean sea level

A — A'
Line of water-level profile

See figure 24 for section A-A' and figure 26 for section B-B

○ 220
Well Location
Number indicates altitude of water surface in the well

Base from US Geological Survey topographic map of Central Valley, California, South Area, 1958
