Section name		Mud Spring	Rocky Canyon	Greenly Creek	Wolverine Canyon	Fall Creek	Bear Creek	Gravel Creek Divide	Emoch Valley	Henry	North Wooley Range	Ballard	North Rasmussen Valley	North Rasmussen Valley	Kendall Canyon	North Dry Valley	Caldwell Canyon
Taxon	Fossil category																
Stratigraphic unit																	
Collection number																	
Forifera	Gorge spicules																
Coelenterata	Forams																
Bryozoa	Conularia?																
	Small to medium ramose growth forms																
	Fenestrate growth forms																
Echinodermata	Ground stems																
Brachiopoda	Inarticulata																
	Lingula cf. L. carolinensis (Shumard)																
	Lingula sp. indet.																
	Orthis cf. O. (O.) massachusetts (Shumard)																
	Orthis cf. sp. indet.																
Arborea	Leiorhynchus weersi (Birby)																
	Leiorhynchus cf. L. weersi (Birby)																
	Leiorhynchus sp. indet.																
	Leiorhynchus? sp. indet.																
	Goniatites cf. G. subtilis (Hall)																
	Goniatites cf. G. mira (Birby)																
	Goniatites sp. indet.																
	Neospirifer pseudoceras (Birby)																
	Neospirifer sp. indet.																
	Phacelothyrus? sp. (Birby)																
	Phacelothyrus? sp. (Birby)																
	Phacelothyrus cf. P. acutus (Birby)																
	Phacelothyrus sp. indet.																
	Phacelothyrus? sp. indet.																
	Sphenothyrus sp. indet.																
	Sphenothyrus sp. indet.																
	Liostella? sp. indet.																
	Kochioproductus cf. K. jagus (Meek)																
	Kochioproductus sp. indet.																
	Strophomena sp. indet.																
	Bathynotia cf. B. nevadensis (Meek)																
	Bathynotia sp. indet.																
	Antygone cf. A. sulcata Cooper																
	Antygone? sp. indet.																
	Leptoproductus cf. L. prattensis (Metcalf)																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)																
	Leptoproductus sp. indet.																
	Leptoproductus? sp. indet.																
	Leptoproductus cf. L. carolinensis (Birby)
