- ▲ Seismograph station in operation before and after 7/1/70
- △ Seismograph station in operation after 7/1/70
- Epicenter of earthquake
- ⊗⊗ Epicenter of possible explosion
- X x Epicenter of probable or definite explosion
- ⊗ x Event with magnitude < 2.0
- ⊗ X Event with magnitude ≥ 2.0 (event number is underlined)
- Approximate boundary of Hanford Works
- Boundary of zone of seismic activity

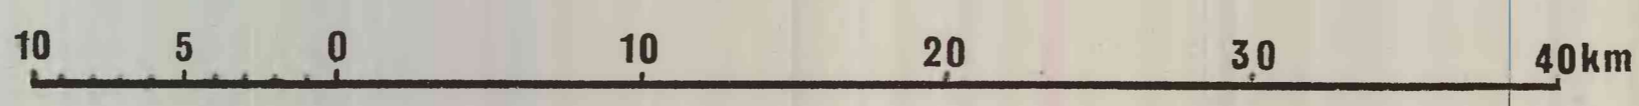

Figure 3.— Hanford region seismic events from July 1, 1970 to June 30, 1971
