

STRAIGHT LINE CORRELATION SECTIONS  
SIMMLER AND VAQUEROS FORMATIONS  
CALIENTE RANGE AREA

U. S. Geological Survey  
OPEN FILE REPORT  
This report is preliminary and has  
not been edited or reviewed for  
conformity with Geological Survey  
standards and nomenclature.

Numbers refer to wells, oil fields, and outcrop  
sections shown on plate 1.  
Dashed portion of columns indicates estimated  
thicknesses projected from nearby outcrops or wells.
