

(200)  
R290  
no. 76-391

### EXPLANATION

▲ 428000  
Gaging station  
Used in flood-frequency regression  
▲ 428500  
Gaging station on regulated stream  
(See Appendix A for list of stations.)

Flood-frequency region  
(Boundary dashed where approximate)

Flood-frequency region 8  
(See Plates 4 and 5 for greater detail.)

PLATE 1.--Drainage map of Pennsylvania showing locations of gaging stations and flood-frequency regions.

Base map modified from River Basin Maps, IACWR,  
Subcommittee on Hydrology
