

C1

EXPLANATION

● Observation well
+3.29 Number shows rise(+) or decline(-)
of water level, in feet, March 1948-
March 1974

— 5250 — Water-level contour
Shows approximate altitude of the
potentiometric surface in April 1948.
Dashed where approximate or inferred.
Contour interval 50 feet (15 metres).
Datum is mean sea level

--- Line showing boundary of valley fill
Dashed where approximate; solid, after
Kinney (1955, pl. 1)
