DENVER

Contact

Faults

Dashed where inferred, queried
where doubtful, dotted where
concealed; U, upthrown
side; D, downthrown side

Surface rupture
associated with
historic earthquake

Strike and dip of beds

Landslide

Limit of mapped area

compiled by J. A. Bartow and M.P. Doukas, 1976

This map is preliminary and has not been reviewed for conformity with U.S. Geological Survey standards and nomenclature.

Bruer, Robinson, and others, unpub.

Cole and others, 1945. Quaternary geology interpreted by D. E. Marchand (oral comm., 1975).

Dibblee and others, 1965*

Dibblee and Warne, unpub.*

*Modified by field work and aerial photo interpretation, 1975.
