

EXPLANATION

 Magnetic contour

Showing total intensity magnetic field of the earth in gauss relative to magnetic datum. Included to indicate 1000-gauss of lower magnetic intensity. These data are incomplete. Contour intervals are 40, 50 and 100 gauss.

 Spot height

Showing location and spacing of data.

Topographic map showing magnetic contours and elevation data. The map features a grid with latitude and longitude coordinates. Contour lines are labeled with values such as 3400, 3500, 3600, 3700, 3800, 3900, 4000, 4100, 4200, 4300, 4400, 4500, 4600, 4700, 4800, 4900, 5000, 5100, 5200, 5300, 5400, 5500, 5600, 5700, 5800, 5900, 6000, 6100, 6200, 6300, 6400, 6500, 6600, 6700, 6800, 6900, 7000, 7100, 7200, 7300, 7400, 7500, 7600, 7700, 7800, 7900, 8000, 8100, 8200, 8300, 8400, 8500, 8600, 8700, 8800, 8900, 9000, 9100, 9200, 9300, 9400, 9500, 9600, 9700, 9800, 9900, 10000. The map also includes a scale bar and a north arrow.
