

- EXPLANATION
- 20 — Line of equal percentage decline in saturated thickness. Interval 10 percent
  - 25 — Supplemental 25-percent line
  - — Boundary of Groundwater Management District No. 1
  - - - - Boundary of unconsolidated aquifer
  - 25 — Observation well -- Number indicates percentage decline in saturated thickness, 1950-77

MAP SHOWING PERCENTAGE DECLINE IN SATURATED THICKNESS OF UNCONSOLIDATED AQUIFER, 1950-77, WEST-CENTRAL KANSAS
