CORRELATION OF MAP UNITS

DESCRIPTION OF THE AREA

This is a field area description for the southern part of the Big Fork area, Kootenai County, Montana. This area is located between the Missouri River and the Missoula River, approximately 12 miles south of Missoula, Montana. The area is characterized by a variety of landforms, including mountains, valleys, and riverine features.

GEOLOGIC ACTIVITY

In addition to these maps, another map, by Weakly which discusses the geology of the Missoula flood area, the Missoula fan and Missoula delta, is available in the U.S. Geological Survey (USGS) Field Studies Office (FSO) in Missoula.

NATURAL DEPOSITS

Most of the natural deposits in the southern part of the Big Fork area were formed primarily during severe, major floods. These deposits are characterized by a variety of materials, including sediments, glacial till, and alluvial fans.

In addition to the above, a new map showing the natural deposits of this area is available from the U.S. Geological Survey (USGS) Field Studies Office (FSO) in Missoula.

FIELD MARKINGS

This is a detailed description of the field markings in the southern part of the Big Fork area. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

FLOODPLAIN...

This is a detailed description of the floodplain in the southern part of the Big Fork area. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

ELEVATION

This is a detailed description of the elevation in the southern part of the Big Fork area. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

LOCATION

This is a detailed description of the location in the southern part of the Big Fork area. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

REFERENCE MAP

This is a detailed description of the reference map in the southern part of the Big Fork area. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

FIELD STUDIES

This is a detailed description of the field studies in the southern part of the Big Fork area. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE

This is a detailed description of the USGS Field Studies Office in the southern part of the Big Fork area. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO)

This is a detailed description of the USGS Field Studies Office (FSO) in the southern part of the Big Fork area. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO), MISSOULA

This is a detailed description of the USGS Field Studies Office (FSO) in Missoula. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO), MISSOULA, MONTANA

This is a detailed description of the USGS Field Studies Office (FSO) in Missoula, Montana. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO), MISSOULA, MONTANA, 59801

This is a detailed description of the USGS Field Studies Office (FSO) in Missoula, Montana, 59801. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO), MISSOULA, MONTANA, 59801, MONTANA

This is a detailed description of the USGS Field Studies Office (FSO) in Missoula, Montana, 59801. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO), MISSOULA, MONTANA, 59801, MONTANA, 59801

This is a detailed description of the USGS Field Studies Office (FSO) in Missoula, Montana, 59801. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO), MISSOULA, MONTANA, 59801, MONTANA, 59801, MONTANA

This is a detailed description of the USGS Field Studies Office (FSO) in Missoula, Montana, 59801. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO), MISSOULA, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801

This is a detailed description of the USGS Field Studies Office (FSO) in Missoula, Montana, 59801. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO), MISSOULA, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA

This is a detailed description of the USGS Field Studies Office (FSO) in Missoula, Montana, 59801. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO), MISSOULA, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801

This is a detailed description of the USGS Field Studies Office (FSO) in Missoula, Montana, 59801. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO), MISSOULA, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801

This is a detailed description of the USGS Field Studies Office (FSO) in Missoula, Montana, 59801. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO), MISSOULA, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA

This is a detailed description of the USGS Field Studies Office (FSO) in Missoula, Montana, 59801. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO), MISSOULA, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801

This is a detailed description of the USGS Field Studies Office (FSO) in Missoula, Montana, 59801. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO), MISSOULA, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801

This is a detailed description of the USGS Field Studies Office (FSO) in Missoula, Montana, 59801. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO), MISSOULA, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801

This is a detailed description of the USGS Field Studies Office (FSO) in Missoula, Montana, 59801. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO), MISSOULA, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801

This is a detailed description of the USGS Field Studies Office (FSO) in Missoula, Montana, 59801. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO), MISSOULA, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801

This is a detailed description of the USGS Field Studies Office (FSO) in Missoula, Montana, 59801. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO), MISSOULA, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801

This is a detailed description of the USGS Field Studies Office (FSO) in Missoula, Montana, 59801. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO), MISSOULA, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801

This is a detailed description of the USGS Field Studies Office (FSO) in Missoula, Montana, 59801. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO), MISSOULA, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801

This is a detailed description of the USGS Field Studies Office (FSO) in Missoula, Montana, 59801. The map shows the location of various features, including river channels, floodplains, and terrace deposits.

USGS FIELD STUDIES OFFICE (FSO), MISSOULA, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801, MONTANA, 59801

This is a detailed description of the USGS Field Studies Office (FSO) in Missoula, Montana, 59801. The map shows the location of various features, including river channels, floodplains, and terrace deposits.
