

Base from U. S. Geological Survey  
Hopkins and Minneapolis South; both maps  
1:24,000, 1967 (Photorevised 1972)

1. Modified from Norvitch, R. F., and  
Walton, M. S., 1979, U.S. Geological  
Survey Miscellaneous Investigations  
Map 1-1157

2. Modified from Minnesota Geological  
Survey, Unpublished Map

3. This study

EXPLANATION  
Correlation of map units

Opg	Platteville and Glenwood Formations, undivided	} Ordovician
Osp	St. Peter Sandstone	
Opc	Prairie du Chien Group	
—	Approximate geologic contact	
■	Site of former plant	

Figure 4.—Preliminary bedrock geology, Minneapolis South and Hopkins quadrangles
