PLATE 3 of 3
This map is preliminary and has not been reviewed for conformity with U.S. Geological Survey editorial standards.

NOTE: The topography shown here is an interpretation from the bathymetric data readily available. Additional soundings may be available from other agencies or institutions and their use may modify portions of this chart.
The purpose of this series is to give the user a working set of maps for planning purposes, plotting of additional data, or aid in locating geologic features.
