

Geologic Cross - Sections of the Ojai Valley

Plate II

Tectonic Geomorphology of the Ojai Valley and Upper Ventura River

Geology by Michael N. Clark, 1979

horizontal = vertical

Cross Sections Plate II

Tectonic Geomorphology and Neotectonics
of part of the Ojai Valley and upper Ventura River

EXPLANATION

- Contact
dashed where inferred
queried where less certain
- Bedding surface
within a formation
- Fault
dashed where inferred
dotted where buried
at surface or where
less certain.
arrows indicate relative
movement.

For explanation of symbols see Geology Map,
(Plate I)
