

EXPLANATION  
200 RADIATION CONTOUR - Contour interval  
100 counts per minute  
100 RADIATION LOW  
2 FLIGHT LINE AND NUMBER - Flight line  
spacing 1 km; mean terrain clearance 91 m

SCALE 1:100,000  
0 1 2 3 4 MILES  
0 1 2 3 4 KILOMETERS

Gamma radiation survey flown and compiled by the  
U.S. Geological Survey Saudi Arabian Project, 1971

This report is preliminary and has not  
been reviewed for conformity with U. S.  
Geological Survey editorial standards.
