A

AND WHAT DOES IT MEAN TO YOU?

- **It means that** when your job is flown, state of the art cameras with current calibration certificates are used. Why? For **your protection and assurance.**
- **It means that,** when your film is processed or printed, we are attentive to every detail. Whether we fly for you or provide lab services only, our goal is to make you look good to your customer. **Your image is important to us.**
- **It means that** every effort is made to meet your specific requirements. Like a quick turn-a-round time, a special mode of delivery, or perhaps an unusual test run. All to make **your job easier.**
- **It means** having a specialist with whom you can discuss your particular problems or **requirements.**
