Figure 1.—Main basins and uplifts and major oil and gas fields of the northeastern Africa and Middle East region. Largest oil fields approximately in order of size are numbered as follows: Middle East (1) Shamal, (5) Zagros, (3) Hajar Mountains, (6) Karkuk, (5) Romila; Libya (1) Sirt, (3) Ash Shatir, (2) Al Qatir, (4) Mersa, (5) Ash Shatir.

Explanations:
- **OIL FIELD**
- **GAS FIELD**
