

Base from U.S. Geological Survey
State base maps: Idaho, 1976;
Nevada, 1965; Oregon, 1966; Utah,
1976; and Wyoming, 1967

EXPLANATION

- 5 ▲ Streamflow-gaging station and number listed in table at right
- ◆ Weather station
- Observation well and number
- Aquifer test site and number listed in tables 1 and 2
- ♀ Spring
- ▨ Eastern Snake River Plain
- ▤ Western Snake River Plain
- Boundary of Snake River Plain
- - - Boundary of Snake River basin

SNAKE RIVER STREAMFLOW-GAGING STATIONS

Map No.	Station No.	Station name
1	13037500	near Heise
2	13069500	near Blackfoot
3	13077000	at Neeley
4	13081500	near Minidoka
5	13088000	at Milner
6	13154500	at King Hill
7	13269000	at Weiser
