OPEN-FILE REPORT 96-279

COAL RESOURCE REGIONS OF THE CONTERMINOUS UNITED STATES

by
John Tully

U.S. Geological Survey open-file report 96-279 was produced at the request of Robert L. Davis of the Small Business Administration (SBA). This simple black and white map will be used in upcoming publications by the SBA and was produced specifically for 8.5 x 11 inch publications. This map shows coal resource regions as defined by geologic parameters, not demographic units.

Map Scale 1 : 18,000,000
Albers Equal Area Projection

COAL RESOURCE REGIONS IN THE CONTERMINOUS UNITED STATES

by John Tully
July 6, 1996

This map is preliminary and has not been reviewed for conformity with U.S. Geological Survey editorial standards. Any use of trade, product or firm names is for descriptive purposes and does not imply endorsement by the U.S. Government.
