

**EXPLANATION**

- Hydrographic basin boundary
- Hydrographic subunit boundary
- Lake, reservoir, river, or canal reach, reach number, and reach boundaries
- Channel, reservoir, or lake data-collection site and number (see table 2)
- Meteorological data-collection site and number (see table 2)
- Gaged Lake Tahoe subbasin for which simulated and observed data are available
- Aggregated ungaged areas in Lake Tahoe basin for which only simulated data are available
- Truckee River subbasin for which simulated or observed data are available

**MAP SHOWING HYDROLOGIC FEATURES, DATA-COLLECTION SITES, PRMS SIMULATION BASINS, AND MODEL REACHES OF THE TRUCKEE RIVER BASIN, TRUCKEE CANAL, AND PART OF THE CARSON RIVER BASIN, CALIFORNIA AND NEVADA**
