Figure 3. Map showing approximate water-level changes in the Chicot aquifer, Houston-Galveston region, Texas, 1995–2000.

Note: This change map was generated by mathematically subtracting a gridded surface of the 1995 water-level-altitude map (Kasmarek and Santos, 2000) from a gridded surface of the 2000 water-level-altitude map (Kasmarek and Santos, 2000), and then contouring the resultant gridded surface.
