

Appendix 2a: Caliper, natural gamma, fluid resistivity, and fluid temperature borehole logs for wells at the Leetown Science Center, Leetown West Virginia.

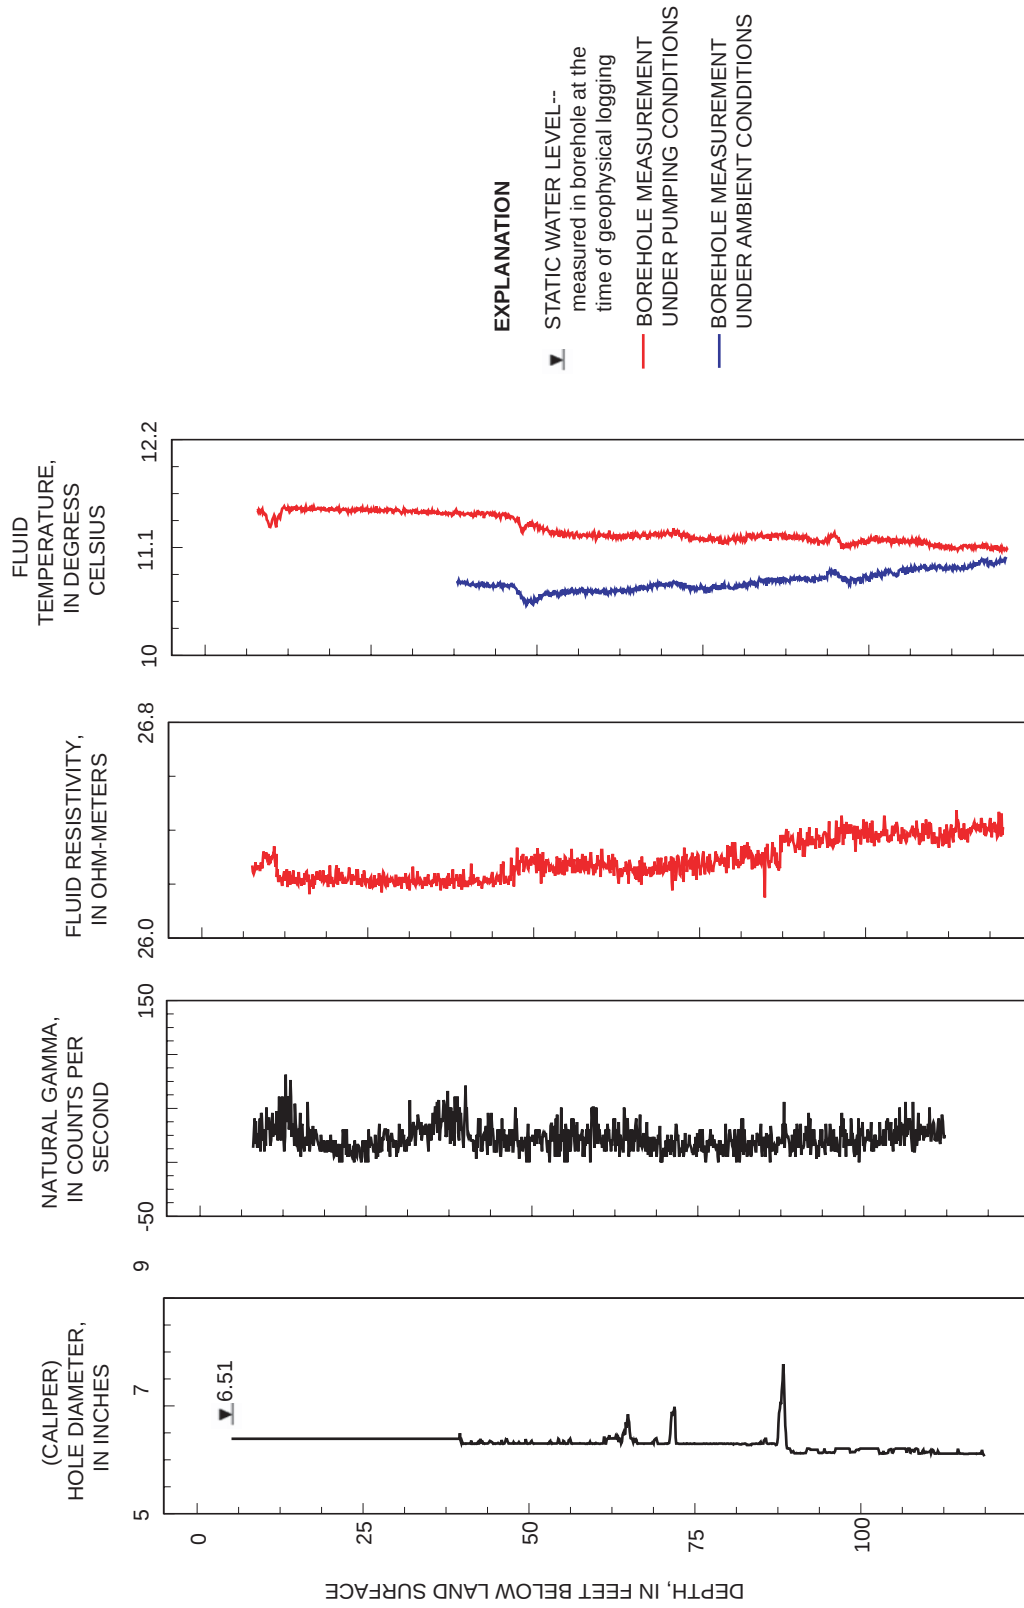

Appendix 2a Figure 1. Borehole-geophysical logs for borehole Jef-0589 (Anticline well), collected on May 5, 2004, in the Leetown area, West Virginia.

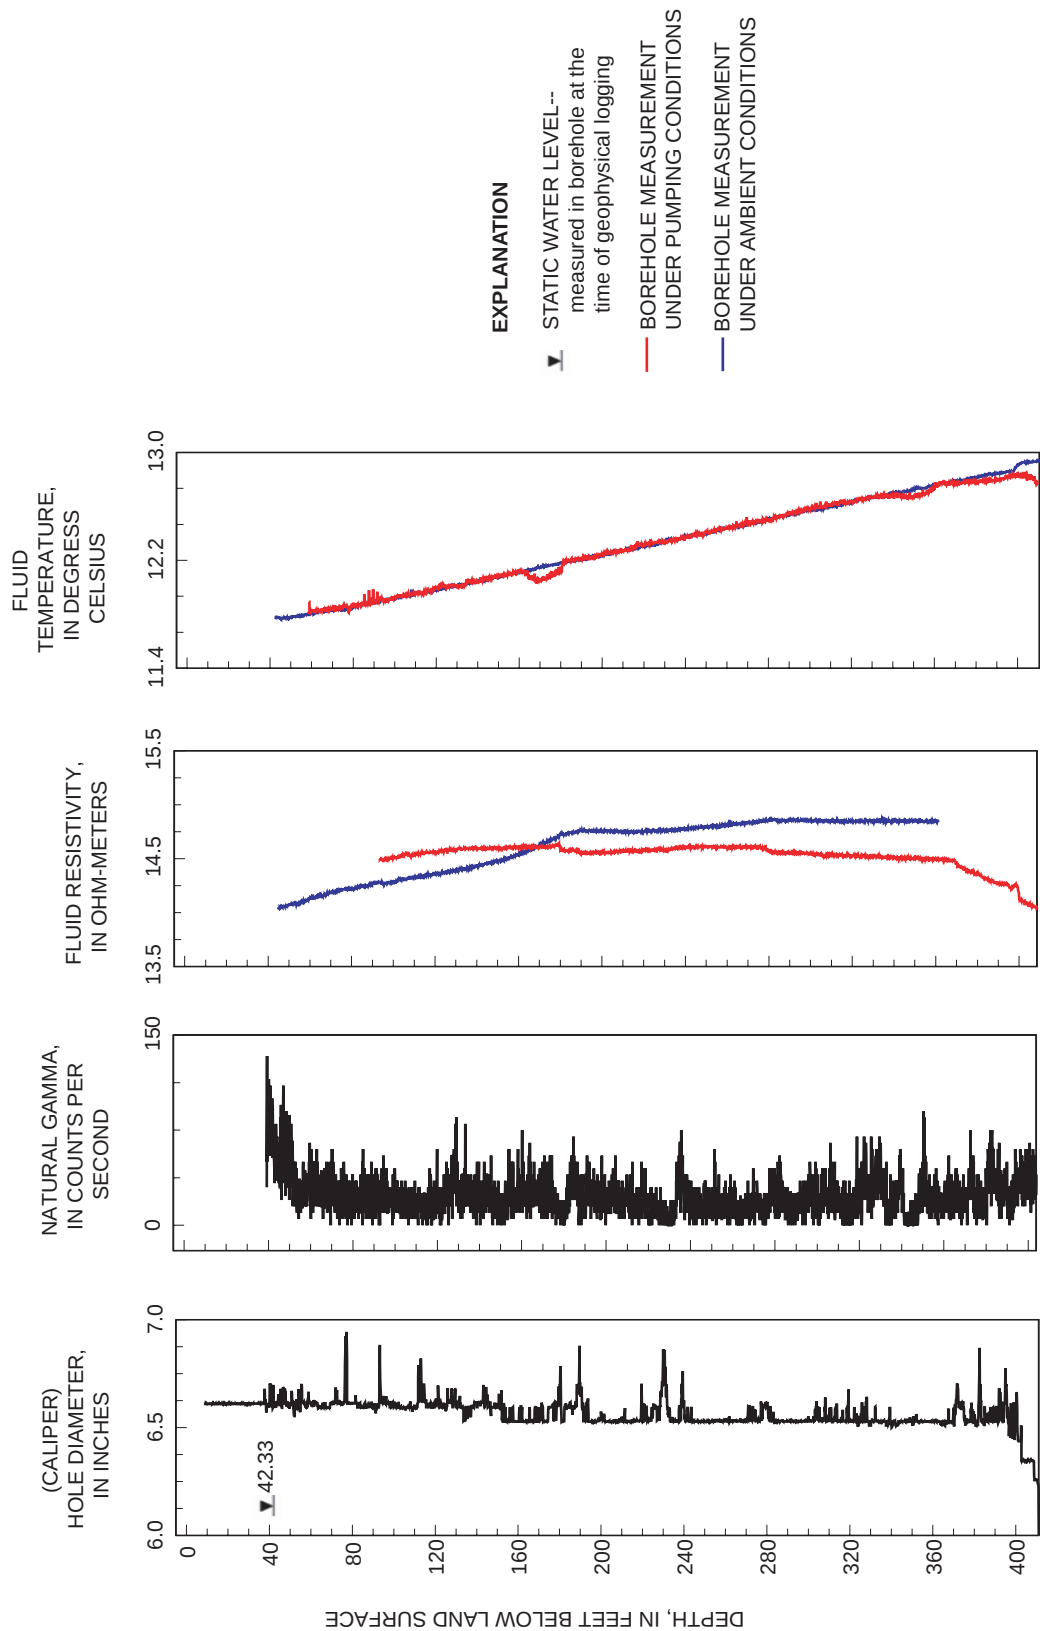

Appendix 2a Figure 2. Borehole-geophysical logs for borehole Jef-0590 (ball field well), collected on May 3, 2004, in the Leetown area, West Virginia.

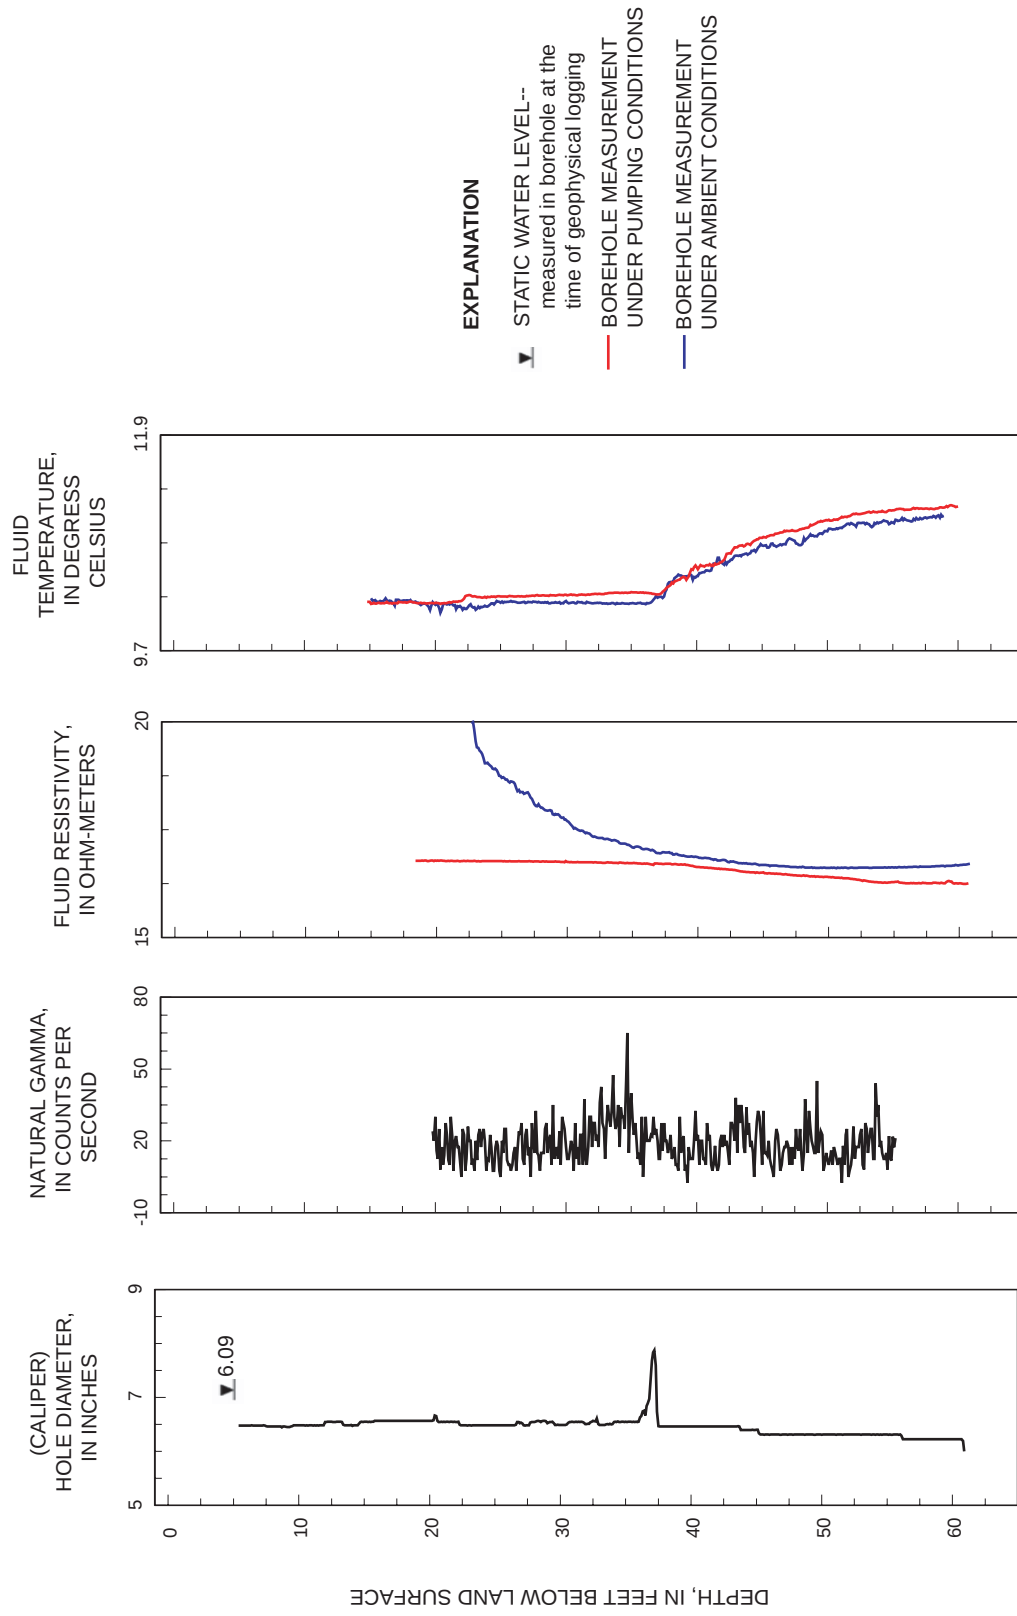

Appendix 2a Figure 3. Borehole-geophysical logs for borehole Jef-0752 (new Dodson farm well), collected on August 30, 2005, in the Leetown area, West Virginia.

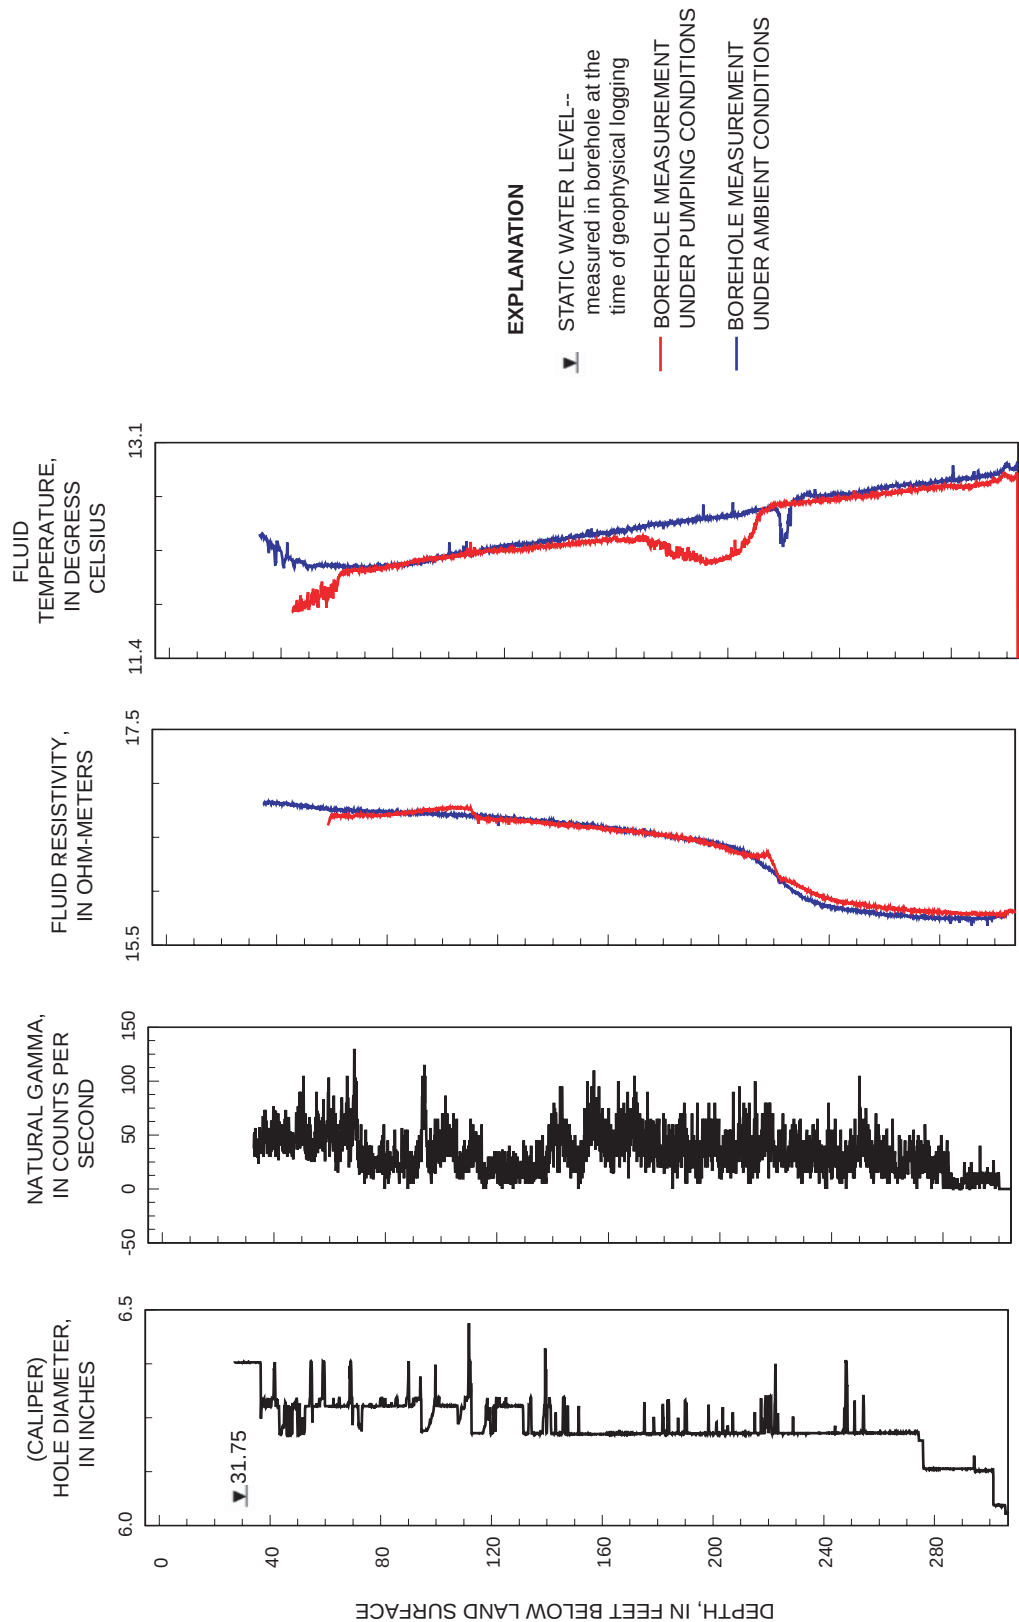

Appendix 2a Figure 4. Borehole-geophysical logs for borehole Jef-0753 (Kaiser farm well), collected on August 31, 2005, in the Leetown area, West Virginia.

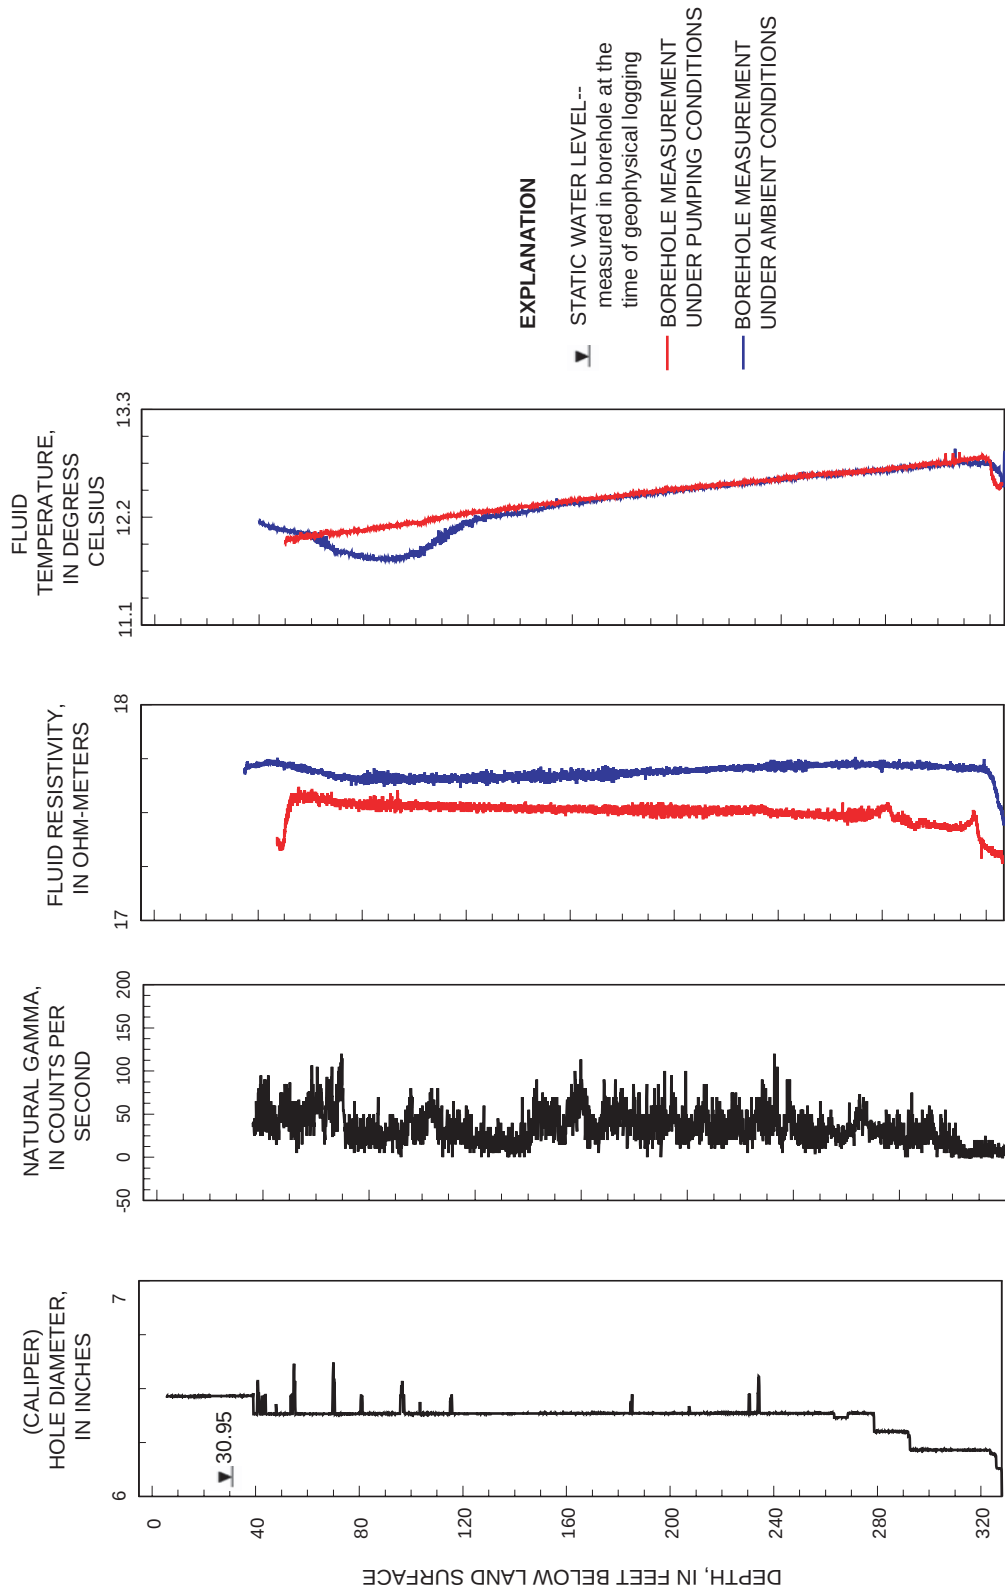

Appendix 2a Figure 5. Borehole-geophysical logs for borehole Jef-0596 (Low Road well), collected on May 4, 2004, in the Leetown area, West Virginia.

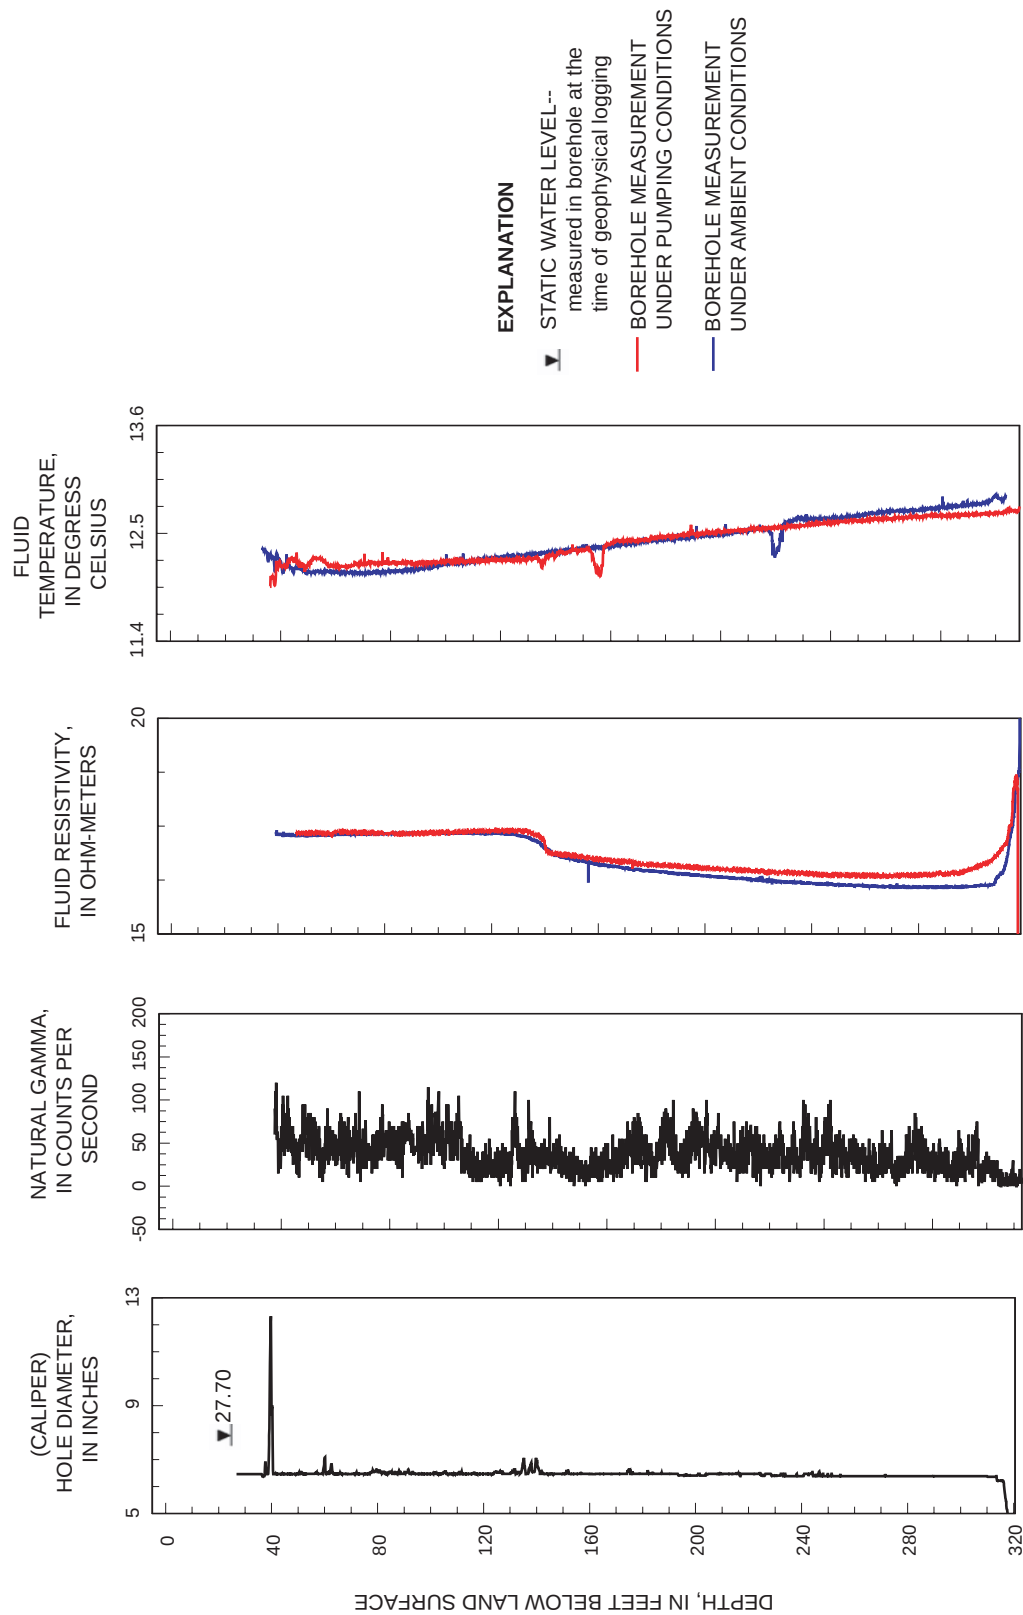

Appendix 2a Figure 6. Borehole-geophysical logs for borehole Jef-0602 (Old Dodson farm well), collected on May 3, 2004, in the Leetown area, West Virginia.

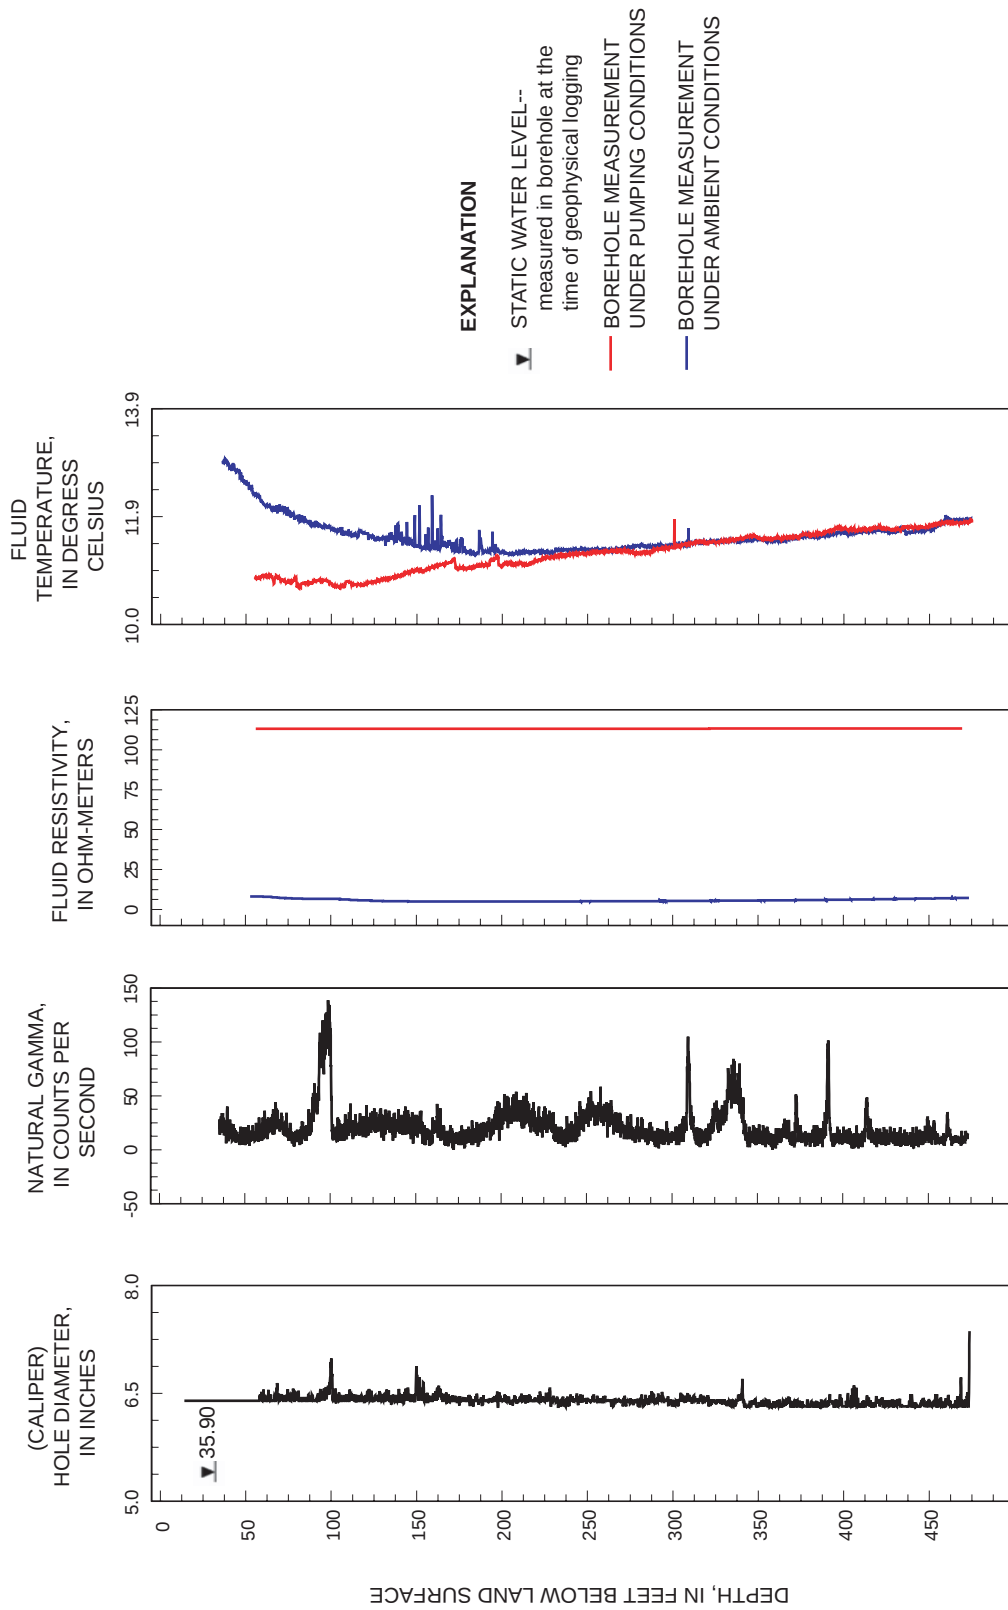

Appendix 2a Figure 7. Borehole-geophysical logs for borehole Jef-0585 (stable A well), collected on April 30, 2004, in the Leetown area, West Virginia.

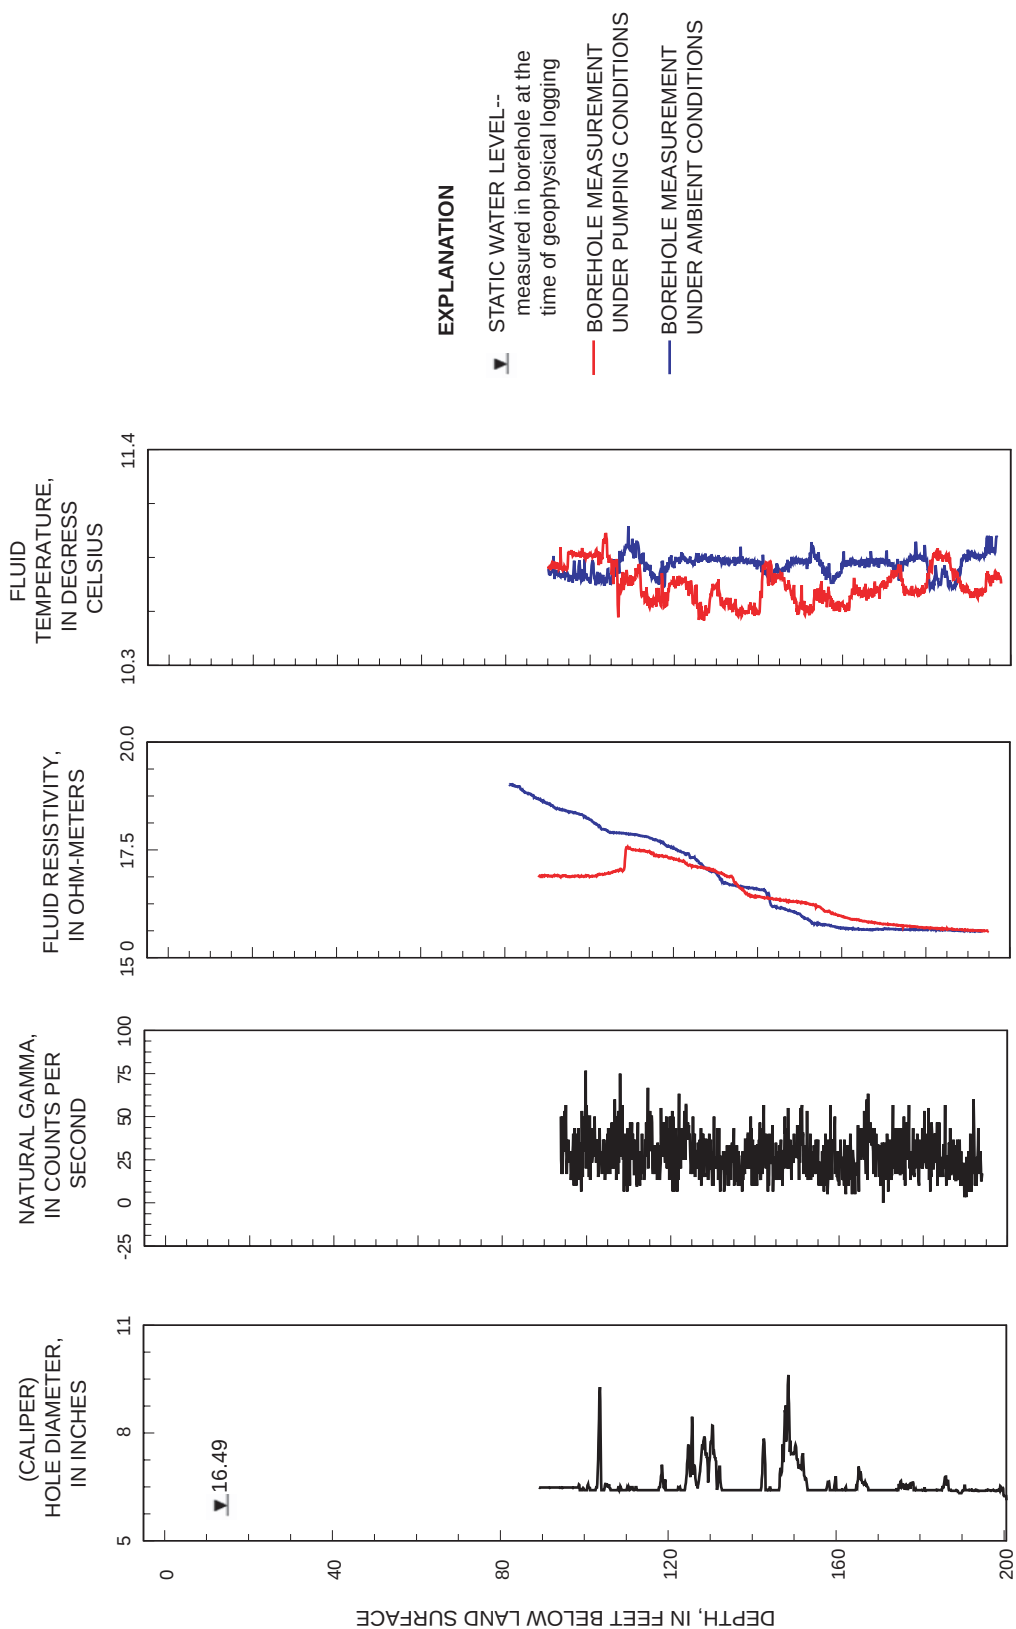

Appendix 2a Figure 8. Borehole-geophysical logs for borehole Jef-0586 (stable B well), collected on May 1, 2004, in the Leetown area, West Virginia.

Appendix 2a Figure 9. Borehole-geophysical logs for borehole Jef-0592 (Stable C well), collected on April 30, 2004, in the Leetown area, West Virginia.

Appendix 2a Figure 10. Borehole-geophysical logs for borehole Jef-0603 (USDA sulfur well), collected on May 2, 2004, in the Leetown area, West Virginia.

Appendix 2a Figure 11. Borehole-geophysical logs for borehole Jef-0586 (USDA fault well), collected on November 18, 2003, in the Leetown area, West Virginia.
