

El Khader reflectance spectra

Quartz-sericite alteration

MT07-8: sericite and goethite
in altered metasediments

Top center of supergene cap

MT07-7: kaolinite and goethite

MT07-7: black, botryoidal
goethite +/- pyrolusite

Northwest edge of supergene cap,
lower elevation

MT07-6: kaolinite, hematite,
goethite
