

EXPLANATION

- Good reflectors
- - - Poor reflectors
- Questionable reflectors
- LINE 2-52-144
United Geophysical Co. party 144, 1952
- Surface of ground showing surface dip
- NR Shot point located but no seismic record
- NS Shot point located but not shot
- Grandstand test well 1, 6.1 miles N. 70° W.
Position of test well in relation to seismic line

SEISMIC REFLECTION PROFILES OF THE AYIYAK ANTICLINORIUM AND GRANDSTAND ANTICLINE AREAS
