

C. 2

- EXPLANATION**
- Alluvium
 - Chisos volcanics
 - Boquillas flags
 - Buda limestone
 - Grayson formation
 - Devils River limestone
 - Breccia pipe
 - Contact
 - Normal fault, showing dip
 - Dashed where approximately located
 - Border of breccia pipe
 - Syncline
 - Strike and dip of beds
 - Vertical beds
 - Horizontal beds
 - Mine shaft
 - Mine adit
 - Prospect pits, trenches, and opencuts
 - Underground workings
 - Stopped area
 - Underground
 - Dump
- Geological Time Scale:**
- Quaternary
 - Cretaceous and Tertiary
 - Upper Cretaceous
 - Lower Cretaceous

100 0 100 200 300 400 Feet
Contour interval 10 feet
Datum is mean sea level
