

Coordinate system and magnetic anomaly after Millar  
(1947, figs. 6, 7, 8), with corrections from maps  
(scale 1:1200) lent by A. M. Ross

**MAGNETIC MAP OF THE JARVIS BRIDGE EXTENSION ANOMALY, NORTHWEST RECTANGLE, CRANBERRY LAKE QUADRANGLE  
ST. LAWRENCE COUNTY, NEW YORK**

200 100 0 200 400 600 800 1000 FEET

Dip-needle isoclinal contour, reduced to normal of  
zero  
Contour interval 20° supplemented by +10° isoclinal.  
Dashed where inferred
