Summary of occurrences of fossils in collections studied from the Amsden Formation of Wyoming

[Collection numbers are explained in the section "Register of Fossil Collections"]

Collections: 1 2 3 4 5 6 7 8 13 14 15 17 19 20 21 22 24 25 26a 26b 27 28 29 30 31 32 34 35 36a 36b 36c 36d 36e 37 38 39 40 41 42 43 44 45 46 47 48 50 52 53 54 63 64 65 67 68 69 71 72 73 74 75 76 77 78 79 80 81 82 83 84 85 86 87 88 89 90 91 92 93 94 95 96 97 98 99 100 101 102 103 104 105 109 110 111 112 113 114 115 116 117 118 119 120 121 122 124 125 126 127 128 129 130 131 132 133 134 136 137 138 139 140 141 142 143 145 146 148 149 150 151 152 153 154 155 156 157 158 159 160 A B C D E F

Foraminifers:
- Apterrinellidae
- *Archaediscus* ex gr. *A. chernovaensis* Mamet
- *krestovnikovi* Rauzer-Chernousova
- ex gr. *A. krestovnikovi* Rauzer-Chernousova
- sp
- *Asteroarchaediscus bashkiricus* (Krestovnikov and Teodorovitch)
- ex gr. *A. bashkiricus* (Krestovnikov and Teodorovitch)
- sp
- *Biseriella moderata* (Reitlinger)
- *parva* (Chernyshova)
- ex gr. *B. parva* (Chernyshova)
- sp
- *Bradyina?* sp
- *Climacammina* sp
- *"Cornuspira"* sp
- Cornuspiridae
- *Diplosphaerina* sp
- *Earlandia clavatula* (Howchin)
- *elegans* (Rauzer-Chernousova)
- *vulgaris* (Rauzer-Chernousova and Reitlinger)
- sp
- cf. *Endostaffella?* sp
- *Endothyra* ex gr. *E. bowmani* Phillips emend. Brady
- *excellens* (Zeller)
- ex gr. *E. similis* Rauzer-Chernousova and Reitlinger
- *tenuis* (Zeller)
- sp
- *"Endothyra"* ex gr. *"E." prisca* Rauzer-Chernousova and Reitlinger
- sp
- *Endothyranella* sp
- cf. *Eolasiodiscus?* sp
- *Evlachovtella* sp
- *"Eonigmolina"* sp
- *Eostaffella* ex gr. *E. acutissima* Kireeva
- *circuli* (Thompson)
- *pinguis* (Thompson)
- ex gr. *E. pseudostruvei* (Rauzer-Chernousova)
- sp
- *Eostaffellina paraprotvae* (Rauzer-Chernousova)
- sp
- *Eotuberitina* sp
- *"Eotuberitina"* sp
- *Globivalvulina* ex gr. *G. bulloides* (Brady)
- sp
- *Globoendothyra* sp
- *Glomospira* sp
- *Lipinella* sp (nom. nud.)
- cf. *Lipinella* sp
- *Millerella pressa* (Thompson)
- aff. *M. pura* Malakhova
- sp
- cf. *Millerella?* sp
- *Monotaxinoides* sp
- *Neoarchaediscus incertus* (Grozdilova and Lebedeva)
- ex gr. *N. incertus* (Grozdilova and Lebedeva)
- *parvus* (Rauzer-Chernousova)
- ex gr. *parvus* (Rauzer-Chernousova)
- sp
- cf. *Palaeonubeculariaf* sp
- *Palaeotextularia* ex gr. *P. consobrina* Lipina
- ex gr. *P. longiseptata* Lipina
- sp
- *Planoendothyra* sp
- *Planospirodiscus minimus* (Grozdilova and Lebedeva)
- sp
- *Pseudoendothyra* ex gr. *P. bremenakensis* Rozovskaia
- ex gr. *P. ovata* (Reitlinger)
- ex gr. *P. struvei* (von Möller)
- sp
- *Pseudoglomospira* sp
- *Tetrataxis* sp
- *"Tetrataxis"* ex gr. *T. conica* Rauzer-Chernousova
- *Trepeilopsis* sp
- *Tuberitina* sp
- *Volvotextularia* sp
- *Zellerina discoidea* (Girty)
- sp

Foraminifers? (incertae sedis):
- *Calcisphaera laevis* Williamson
- *pachysphaerica* (Pronina)
- sp

Coelenterates:
- *"Amplexus"* sp
- *Bargsiphloma amadeusense* (Branson and Greger)
- *Cleiniella* cf. *C. nevadensis* (Meek)
- *Chaetetes* cf. *C. carinsia* Moore and Jeffords
- *wyomingensis* Sando
- sp. indet
- *Dunconspora duncanae* Sando
- *Lonsdaleia* (*Actinocyathus*) *stelcki* (Nelson)
- *Multithecopora? amadeusensis* Sando
- *Neokoninckophyllum hassellia* Sando
- *inconstans* Sando
- *Pinnatiphaculla drummondi* (Nelson)
- *Turbinatocaninia?* sp
- *Zaphrentites?* sp. indet

Conulariida:
- *Paraconularia* sp. indet

Bryozoans:
- *Archimedes* sp
- Bryozoan, gen. and sp. indet
- Chaetetiform bryozoan, n. gen. A, n. sp
- n. gen. B, n. sp
- *Dichotrypa?* sp
- *Fenestella* sp. A
- sp. B
- Fistuliporoid, gen. and sp. indet
- incrusting form
- Rhomboporoid, gen. and sp. indet
- *Septopora* sp. indet
- Stenoporoid, gen. and sp. indet
- incrusting form
- ramose form
- Trepostome, ramose form

Brachiopods:
- *Anthracospirifer curvilateralis curvilateralis* (Easton)
- *curvilateralis brutus* Gordon
- *shawi shawi* Gordon
- *shawi exoletus* Gordon
- *welleri welleri* (Branson and Greger)
- *welleri lincolnensis* Gordon
- *occiduus* (Sadlick)
- aff. *A. occiduus* (Sadlick) form A
- aff. *A. occiduus* (Sadlick) form B
- *rawlinsensis* Gordon
- sp. indet
- *Antiquatonia blackwelderi* Gordon
- cf. *A. coloradoensis* (Girty)
- sp
- *Brachythyrina wasatchiensis* Gordon
- *Curtonia amadeusensis* Gordon
- *Cleiothyridina sinuata sinuata sapinela* Gordon
- cf. *C. sinuata elegans* Girty
- *hirsuta curviensis* Gordon
- aff. *C. subcordiformis* (Hall)
- sp. indet
- *Caledium fragum* Gordon
- *Composita elongata* Dunbar and Condra
- aff. *C. lowis* Weller
- *ovata* Mather
- *paposensis* Gordon
- *sigma* Gordon
- *subquadrata* (Hall)
- *subtilita* (Hall)
- *sulcata* Weller
- sp. indet
- *Derbyia* cf. *D. robusta* (Hall)
- *Diaphragmus cestriensis* (Worthen)
- *nivosus* Gordon
- *Echinoconchus* sp. A
- *Eolissochonetes pseudolirratus* (Easton)
- *Eolissochonetes? euthteri* (Branson)
- *Enmetria sulcata* Burk
- *Enmetria?* sp. indet
- *Fiscuria* sp
- *Girtyella* cf. *G. indianensis* (Girty)
- *Inflatia iorei* Gordon
- *Juresania* sp
- *Lingula* cf. *L. carbonaria* Shumard
- *Linoproductus costosi* Gordon
- *planiventralis* Hoare
- Linoproductid, gen. and sp. indet
- *Mesolobus* sp
- *Neospirifer pravusatius* Easton
- *Orbiculoidea wyomingensis* Branson and Greger
- sp. A
- sp. B
- *Orthotetina amadeusensis* (Branson and Greger)
- *Orthotetes kaskaskiensis bransonorum* Gordon
- sp. A
- sp
- Orthotetoid, gen. and sp. indet
- *Ovatia crenulata* (Branson)
- *marshi* Gordon
- Productoid, gen. and sp. indet
- *Paproides quinqueplecia* Easton
- *Pulsia delira* Gordon
- sp. A
- *Reticulariina brouni* (Branson and Greger)
- *Reticulariina?* sp. indet
- *Rhipidomella carbonaria* (McChesney)
- *Rugosiochetes williamsi* Gordon
- *Schizophoria depressa* Easton
- aff. *S. texana* Girty
- *Schuchertella paposaiensis* (Branson)
- *Scolicosocha globosa* (Mather)
- *Selenella? walteri* C. Branson
- *Torynifer setiger* (Hall)?

Pelecypods:
- *Astartella concentrica* (Conrad)
- sp
- *Aviculopecten gravidus* Gordon and Pojeta
- sp. A
- sp. B
- spp. indet
- *Aviculopinna* sp
- *Canepella* sp
- *Cypricardella* sp
- *Cypricardella?* sp. indet
- *Edmondia* spp
- Isofilibranchian?, gen. and sp. indet
- *Leptodesma* sp
- *Myalina* (*Myalina*) sp
- *Nuculopsis* sp. A
- sp. B
- *Paleyoldia amedeneasis* (Branson and Greger)
- sp
- *Permophorus* sp. A
- *Pernopecten* sp. indet
- *Phestia* sp
- *Posidonia* sp. indet
- *Pseudomonotis* sp
- *Sanguinolites* sp
- *Schizodus* aff. *S. affinis* Herrick
- *alpinus* (Hall)?
- cf. *S. depressus* Worthen
- sp. A
- sp. B
- *Sedgwickia?* sp. indet
- *Septimyalina* sp. A
- *Septimyalina?* sp. indet
- *Sphenotus* sp
- *Streptopteria* sp. indet
- *Wilkingia terminalis* (Hall)
- sp

Rostroconchian:
- *"Conocardium"* sp. indet

Gastropods:
- *Anematina* sp indet
- *Baylea?* sp. indet
- *Bellerophon* cf. *B. crassus* Meek and Worthen
- spp
- *Bellerophon?* sp. indet
- *Borestus* sp. indet
- *Borestus?* sp
- *Colpites* sp. A
- N. gen. aff. *Colpites* sp
- *Dictyomaria earlhamensis* Gordon and Yochelson
- *Donaldina* aff. *D. pygmaea* (Weller)
- sp. indet
- *Euphemites sacajawensis* C. Branson
- *Girtyspira* sp. A
- sp. B
- *Goniasma?* sp. indet
- *Gosseletina* sp. indet
- *Gosseletina?* sp. indet
- *Ianthinopsis* spp. indet
- *Knightites* (*Retispira*) sp. A
- sp. B
- *?Knightites* (*Retispira*) sp. indet
- *Meekospira?* sp indet
- *Microdoma?* sp. indet
- *Mourlonia* sp. indet
- *Murchisonia?* sp. indet
- *Naticopsis* (*Naticopsis*) spp. indet
- (*Jedria?*) sp. indet
- *Orthonema* sp. indet
- *Palaeostylus* (*Pseudozygopleura*) spp. indet
- *Shansiella* sp. indet
- *Soleniscus?* sp. indet
- *Streparolinus* (*Exomphalus*) *calix* Gordon and Yochelson
- aff. *S.* (*E.*) *plummeri* Knight
- sp indet
- *Strophostylus* sp. indet
- *Worthenia?* sp. indet
- *Yunnania?* sp. indet

Cephalopods:
- *Cravenoceratoides* sp. indet
- Goniatitacean, gen. and sp. indet
- Orthoconic nautiloid, gen. and sp. indet
- *Reticycloceras?* sp. indet

Echinoids:
- *Archaeocidaris* spp

Trilobites:
- *Paladin moorei* (C. Branson)
- sp

Ostracodes:
- *Acratia?* *diejuncta* Morey
- *Amphisites robertsi* Morey
- *Bairdia contracta* Morey
- *delicata* Morey
- *nauta* Morey
- *Bairdiacypris quadrilobatus* Morey
- *Carolina brunsoni* (Morey)
- spp
- *"Ectodemites" warei* Morey
- *Glyptopleura multicostata* Morey
- *Glyptopleurites* cf. *G. windfieldi* Scott
- *Healdia ornata* Morey
- *Hollinella typica* Morey
- *Nuferella* sp
- *Nuferella?* *puncta* Morey
- *Pseudobythocypris? amadeusensis* (Morey)
- *Samarella* cf. *S. bella* Scott
- *reversa* Morey
- *Samarella?* *dubia* Morey
- *Sargentina? amadeusensis* (Morey)
- *Shaanella mireyi* Sohn
- *Tetraglyna* sp

Conodonts:
- *Adetognathodus* cf. *A. gigantea* Rexroad and Burton
- Bar fragments, indet
- *Cavusgnathus unicornis* Miller and Youngquist
- sp
- *Gnathodus modocensis* Rexroad?
- *Hibbardella* sp
- *Hindeodella* sp
- *Idiognathoides corrugata* Harris and Hollingsworth
- *sinuata* Harris and Hollingsworth
- *Magnilaterella?* sp
- *Neoprioniodus* sp
- *Ozarkodina* sp
- *Spathognathodus* cf. *S. cristula* Youngquist and Miller
- *Streptognathodus parvus* Dun
- sp

Annelid worms:
- *Cornulitella* cf. *blatchleyi* (Cumings and Beede)
- *Spirorbis mireyi* Branson

Fish:
- *"Cladodus"* sp
- cf. *"Cladodus" exiguus* St. John and Worthen
- Ctenodontoid tooth fragments, indet
- Deltodus sp
- cf. Lambdodus sp
- Paleoniscoid teeth, ident
- genus, indet
- cf. *Staticodontus springeri* St. John and Worthen
- *Pucrodus* sp
- *Psephodus* sp
- cf. *Stemmatodus* sp
- cf. *Thrinacodus nanus* St. John and Worthen

Marine algae:
- *Asphaltina* sp
- *Asphaltina* sp
- Rhodophycophyta
- *Stacheia* sp
- Stacheiinae
- *Stacheoides* sp

Terrestrial plants:
- *Adiantites?* sp
- *Lepidodendron* sp
- *Mesocalamites* sp
- *Rhodea* cf. *R. moravica* (Ettingshausen) Sturr?
- *Sphenopteris* cf. *S. misistippiana* White
- Stigmarian rootlets
- Plant remains, indet
