

Stratigraphic Framework of Cambrian and Ordovician Rocks in the Central Appalachian Basin From Lake County, Ohio, to Juniata County, Pennsylvania

By Robert T. Ryder

Revised and digitized by Robert D. Crangle, Jr.

Chapter E.2.1 of

**Coal and Petroleum Resources in the Appalachian Basin:
Distribution, Geologic Framework, and Geochemical Character**

Edited by Leslie F. Ruppert and Robert T. Ryder

Professional Paper 1708

**U.S. Department of the Interior
U.S. Geological Survey**

Stratigraphic Framework of Cambrian and Ordovician Rocks in the Central Appalachian Basin From Lake County, Ohio, to Juniata County, Pennsylvania

By Robert T. Ryder¹

Revised and digitized by Robert D. Crangle, Jr.¹

This chapter is a re-release of U.S. Geological Survey Miscellaneous Investigations Series Map I-2200, of the same title, by Ryder (1992; online version 1.0 revised and digitized by Robert D. Crangle, Jr., 2002). Version 1.0 is a digital version of the original and also includes the gamma-ray well log traces.
