DATE OF DESCRIPTION 2008

DESCRIPTION Proceed 3.2 mi southeast along the East Entrance highway from its junction with the Canyon-Lake highway (just west of Fishing Bridge), thence 0.75 mi E along a track road through locked gate, at the trailhead for a trail to the northeast. Bench mark is 26 ft due south of the point where the trail adjoins centerline of the track road, 3 ft northwest of a tree with a witness sign, about level with road bed, and set on 5/8-inch copper coated rod encased in 6-inch drainpipe.

In 2008 the bench mark was searched for and not found. The NGS description references a track road that no longer exists, making this mark difficult to find.
