STAMPING SM SLF 6 1976
USGS QUAD MAP MAMMOTH (1986)
NGS PID N/A

LATITUDE 44.89408
LONGITUDE -110.7342
ELEVATION 2266 m

DATE OF DESCRIPTION 2003

DESCRIPTION Station is located about 7.7 miles south along the Mammoth Hot Springs-Norris Junction highway from the post office at Mammoth Hot Springs on the west side of the road at a junction with a service road (very near the L157 bench mark). Bench mark is a US Department of Interior brass cap in a buried boulder almost flush with the ground and about 1.5 meters west of a sign that says "service road."

Looking west across Mammoth-Norris highway at service road and bench mark (beneath person).

Close up of bench mark.
