USGS QUAD MAP MAMMOTH (1986)
NGS PID N/A

LATITUDE 44.98085
LONGITUDE -110.698
ELEVATION 1936 m

DATE OF DESCRIPTION 2008

DESCRIPTION Station is located 0.36 miles north of the Mammoth Inn on an old wagon road, north of the main highway between Gardiner, Montana, and Mammoth Hot Springs (wagon road is more or less across the highway from the Mammoth Post Office and just east of the Mammoth Inn). Bench mark is a standard FHWA brass cap set in a concrete monument about 330 feet east of the center line of the wagon road in the first open grassy area north of the Mammoth Inn, south of a large gulley with a lone large tree, and marked by a small cairn.

Looking north-northeast across old wagon road from near Mammoth Inn at bench mark.

Close up of bench mark.
