DESCRIPTION Station is located 12.2 miles south of the West Thumb junction, about 56 ft east of the centerline of the highway, set in a concrete monument, marked by a metal fence post 3.8 ft to the S86W. From the bench mark it is 23.9 ft at N56W to a 10" lodgepole pine and 26.5 ft at S11W to a 12" lodgepole pine.

In 2003 the bench mark was searched for and not found. A fence post in a steep bank was located, but there was no sign of the bench mark.
