DATE OF DESCRIPTION 2008

DESCRIPTION Proceed 19.8 km (12.30 mi) southeast along the East Entrance Highway from its junction with the Canyon-Lake highway (just west of Fishing Bridge). Bench mark is 10.1 m (33.1 ft) south of the centerline of the highway, 6.7 m (22.0 ft) south-southwest of the south end of a culvert at the east end of a highway pullout, encased in a pipe flush with the ground, and 0.3 m below the highway.

In 2003 and 2008 the mark was searched for and not found, presumed destroyed by recent road work.

Looking southwest at pullout and probable location of bench mark, which is likely buried under the near end of dirt pile to the left of the pullout.
