DATE OF DESCRIPTION 2003

DESCRIPTION Proceed 13.3 km (8.25 mi) south along the Madison-West Thumb highway from Madison Junction (or about 7.90 mi north of the Old Faithful overpass). Bench mark is 10.4 m (34.1 ft) southeast of the centerline of the highway, in a swampy area, encased in a pipe flush with the ground, and about level with the highway.

In 2003 the bench mark was searched for and not found, probably because of high water level in the swamp.
