DATE OF DESCRIPTION 2008

DESCRIPTION Proceed 21.1 km (13.10 mi) west along the Madison-West Thumb highway from the junction highway in West Thumb. Bench mark is near the west end of a highway pullout on the north side of the highway, 14.1 m (46.3 ft) north of the centerline of the highway, and encased in a pipe flush with the ground.

In 2008 the bench mark was searched for and not found. The nearest paved pullout is 13.5 miles from West Thumb Junction, not 13.1 miles as in the description. Roadwork has either destroyed the bench mark or made it very difficult to locate.
