DESCRIPTION Proceed 10.9 km (6.75 mi) south along the Canyon-Lake highway from the junction at Canyon Village, thence 14.2 km (8.80 mi) west on foot along Trout Creek Trail (the old fire road to Mary Lake). Bench mark is a chiseled square in the top of a 5- by 6-foot boulder that projects 3.5 feet, near the eastern edge of a large open park area, 0.5 m (1.6 ft) west of bench mark A365, and 0.9 m above the trail.

In 2008 the bench mark was confirmed destroyed. There is no evidence of this bench mark, even though it is in the same boulder as mark A365, which was recovered in good condition.
