DATE OF DESCRIPTION 2003

DESCRIPTION Proceed 18.0 km south along the Madison -West Thumb highway from Madison Junction (or about 4.95 mi north of the Old Faithful overpass). Bench mark is 13.1 m (43.0 ft) northwest of the centerline of the highway, 11.3 m (37.1 ft) northeast of the center of a dirt road leading northwest, and about level with the highway.

In 2003 the bench mark was searched for and not found, presumed destroyed. Such a large concrete pier would be hard to miss. The bench mark may have been destroyed during paving of Fairy Falls road.
