DESCRIPTION Proceed 14.5 km (9.00 mi) west along the Madison-West Thumb highway from the junction at West Thumb. Bench mark is along the east bank of Hurron Creek (there is no sign for the creek, but there is usually running water), 7.2 m (23.6 ft) northwest of the centerline of the highway, and 1 m above the level of the highway. In 2003 it was noted that the monument is weather beaten, has several cracks, and is starting to crumble, but appears solidly in place.
