DATE OF DESCRIPTION 2008

DESCRIPTION Proceed 26.7 km (16.60 mi) southeast along the East Entrance highway from its junction with the Canyon-Lake highway (just west of Fishing Bridge). Bench mark is at a highway pullout, 22.8 m (74.8 ft) southwest of the centerline of the highway, and 2.0 m below the level of the highway. Access to datum point is had through a 5-inch logo cap.

In 2003 and 2008 the bench mark was searched for and not found. The pullouts have changed since the original description was written, and the bench mark is probably buried under road fill.

Looking east-southeast at likely location of bench mark.
