**DATE OF DESCRIPTION** 2008

**DESCRIPTION** Proceed 10.9 km (6.75 mi) south along the Canyon-Lake highway from the junction at Canyon Village, thence 14.7 km (9.15 mi) west on foot along Trout Creek Trail (the old fire road to Mary Lake). Bench mark is cemented in a drill hole at the west edge and at the high point of a 5- by 8-foot exposed area of rock outcrop that projects 3 feet along its east edge, 11.0 m (36.1 ft) north of the trail, 10.0 m (32.8 ft) east of the crest of the ridge, and 1.5 m above the trail.

In 2008 the bench mark was searched for and not found. The bench mark probably exists and might be buried under dirt or pine needles.
