DATE OF DESCRIPTION 2008

DESCRIPTION Proceed 10.9 km (6.75 mi) south along the Canyon-Lake highway from the junction at Canyon Village, thence 5.0 km (3.10 mi) west on foot along Trout Creek Trail (the old fire road to Mary Lake). Bench mark is approximately 0.3 km (0.20 mi) south up a small draw and southeast up a low ridge to the top of the second knoll south from the north end of a ridge, set in top of a 5-inch concrete monument, approximately 50 yards south of two lone pine trees along east slope of the ridge.

In 2008 the bench mark was searched for and not found. The description is specific and the top of the knoll is obvious, but the bench mark seems to be missing.
