

Base from U. S. Geological Survey  
Geologic Map and generalized cross sections of the  
Chesapeake Bay and adjacent parts of the Potomac  
River, Virginia, 1:250,000. Moore, Bergman, and others, 1989.  
Albers Projection (Map was corrected photographically  
and converted into a digital coverage.)

# LOCATION OF BOREHOLES, SEISMIC REFLECTION PROFILES, AND STRATIGRAPHIC CROSS SECTIONS

By  
David S. Powars and T. Scott Bruce  
1999

Oil company seismic data from Texaco, Inc.  
and Exxon Exploration Company. Borehole  
data modified from Colquhoun, 1984a, b, and  
1987; Ming and Smith, 1986; and Laczniak  
and Ming, 1988. Brown and others, 1972.
