

Little (1976)

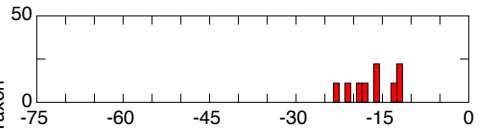

A box plot diagram illustrating statistical measures. The vertical axis is labeled with 'max', '75%', 'median', '25%', and 'min'. The box is divided into two segments: a red segment representing 95% and a black segment representing 5%.

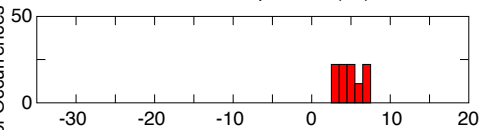

Maximum Temperature (°C)

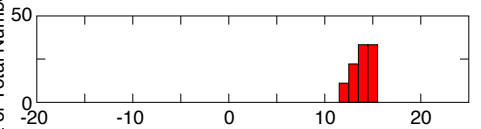

Temperature of Warmest Month (°C)

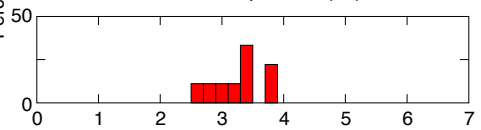

Minimum Temperature (°C)

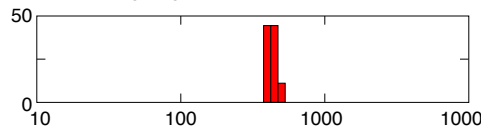

Temperature of Coldest Month

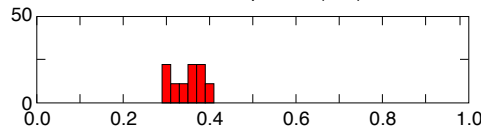

Annual Temperature (°C)

Growing Degree Days on 5°C Base X 100

Annual Precipitation (mm)

Actual Evaporation/Potential Evaporation
