Resource Publication

This publication of the Fish and Wildlife Service is one of a series of semitechnical or instructional materials dealing with investigations related to wildlife and fish. Each is published as a separate paper. The Service distributes a limited number of these reports for the use of Federal and State agencies and cooperators. A list of recent issues appears on inside back cover.

Copies of this publication may be obtained from the Publications Unit, U.S. Fish and Wildlife Service, Matomic Building, Room 148, Washington, DC 20240, or may be purchased from the National Technical Information Service (NTIS), 5285 Port Royal Road, Springfield, VA 22161.

Introduction

Nicasio wren, mountain mockingbird, desert sparrow—these are among the many names one might find in the older North American ornithological or birding literature but not in recent field guides or check-lists. These are English common names that once were used for species, subspecies, or populations of birds but that have been supplanted by other names. Sometimes it is fairly easy to relate the old names to the present names, but often it can be difficult, especially if they are accompanied by scientific names that also have changed. In this list I equate those old names, and some not commonly found in modern writing, to the present English and scientific names of the species to which they apply.

The usefulness of such a list was brought to my attention by Curtis Sabrosky, an entomologist retired from the Systematic Entomology Laboratory of the U.S. Department of Agriculture. In his work on ectoparasitic flies, Dr. Sabrosky occasionally finds specimens taken from avian hosts identified on the labels only by obsolete English names. On occasion, he has sought assistance from the author in identifying or verifying the host bird in current terminology, and expressed a desire for a list such as this.

This index should also be useful to other workers and for other purposes. Ornithologists not well versed in taxonomic matters might save valuable research time if they could immediately relate a bit of information recorded in the older literature to the name of a species with which they are familiar. Law enforcement personnel might find some support in convincing a gunner (or judge) that the old or collo-

quial name of a bird shot is the same as the name in the list of species protected by the Migratory Bird Treaty Act. Serious birders, historians, collectors of natural history books—even crossword puzzle fans and trivialists—might find something of use or interest.

One might wonder how and why English names (often called “common names”) of birds change. Some rather old changes occurred because relationships were uncertain when the birds were first named and family groups as we now know them were poorly defined. Many North American species were named because of superficial similarities to Old World groups—most thrashers were originally called thrushes, and many warblers were called flycatchers. Some species were given more than one name by different writers. The names of some species have just been shortened through time. Some group names—sparrow, bunting, and finch, for example—were used interchangeably.

Many populations of American birds were named originally as species, and received not only distinctive scientific names but also distinctive English names. As the species concept and ornithological knowledge developed through the 19th and 20th centuries, many of these populations came to be treated as subspecies of more broadly conceived species. Often the separate populations carried their old English names unchanged into their new status, so that several subspecies of a species might have quite different English names. The *Check-list of North American Birds*, published by the American Ornithologists' Union and considered the definitive source of both scientific and English names of birds by most North American workers, followed the prac-

tice of using English names for subspecies through its fourth (1931) edition. There, for example, were listed 14 subspecies of *Thryomanes bewickii*, only one of which was called "Bewick's wren." That practice ended with the fifth (1957) edition, in which all subspecies were grouped under the English name "Bewick's wren" and individual subspecies were not provided with distinctive English names. The latter practice has been generally followed by the major ornithological journals and the authors of field guides, and over the past 30 years many names once familiar to ornithologists and birders have essentially passed into oblivion—but not, of course, out of the literature.

The continuing study of avian taxonomy is still refining our understanding of the relationships of populations of birds. Such studies in the past few years have yielded additional instances in which two (or more) populations traditionally treated as distinct species should be considered only a single species. In some instances the accepted English name for neither population is applicable to the combined populations, and it has been deemed better to coin a new name rather than to continue the use of either old one. Thus the combined myrtle and Audubon's warblers became the yellow-rumped warbler. Such changes are often met with consternation among the birding community, at least in the short run, but become accepted with increasing use. The older names are still valuable and are often used for the component groups when individual birds can be so identified.

Other studies have shown that what has long been considered a single species is actually a composite of two or more reproductively isolated populations, each of which should be considered a species. Occasionally old English names can be revived for one or all populations, but at times new names have had to be coined. Thus the two "song-type" populations of the old Traill's flycatcher were found to represent two distinct species, one of which (*Empidonax traillii*) was given the name willow flycatcher, whereas the other (*Empidonax alnorum*) was christened alder flycatcher. This actually presents the opposite of the problem this list seeks to solve, because in this instance old literature references to "Traill's flycatcher" might apply to either of the newly recognized species.

Still another factor that has placed some once-familiar English names in limbo is the increasingly worldly view of North American ornithologists and

birders. The sixth (1983) edition of the *Check-list of North American Birds* extended its geographic coverage to include Hawaii and the Caribbean islands as well as the area between the United States–Mexico border and the Panama–Colombia border. In many instances this resulted in the juxtaposition in the list of two or more species with the same English group name, one without a modifier and the other(s) with. For uniformity, and to avoid confusion between specific and group names, additional modifiers were provided where necessary. Thus the familiar "plain" catbird (*Dumetella carolinensis*) of North America became the gray catbird to effect a parallel construction in name to that of the black catbird (*Melanoptila glabrirostris*) of Central America. Further, for species with extensive distributions outside North America, the Check-list used English names that are generally accepted on a worldwide basis rather than perpetuate the situation in which a single species might have one English name in North America and another elsewhere. The Florida (or common) gallinule of North America thus was called the common moorhen, as the species is known elsewhere in the English-speaking world.

The result of this process of evolution of names is that there are many English names for populations of birds at various taxonomic levels that are no longer in general use. These names still appear in the earlier (and some modern) literature, of course, and on labels of some specimens collected years ago, perhaps in the display cases of some museums, but many of them are not immediately recognized by younger ornithologists or birders.

I have compiled a list of English names of birds that one is unlikely to find in the indexes or texts of the more recent ornithological journals, references, or field guides. The list is restricted to names of species found primarily in the United States and Canada, with a few exceptions. The indexed names have been culled from the first four editions of the *Check-list of North American Birds*, early State bird books and regional distribution lists, standard technical ornithological references, and a variety of other sources dating back to the time of Audubon and Wilson, who were among the first to use distinctive names for American birds. Particularly rich sources of names were A. C. Bent's "Life Histories . . ." series, published as *Bulletins of the U.S. National Museum* from 1919 to 1968; the 12 parts of Robert Ridgway's "Birds of North and Middle America," published as *U.S. National Museum Bulletin* 50

(continued by Herbert Friedmann); and the Field Museum series, "Catalogue of Birds of the Americas and the Adjacent Islands," mainly by C. E. Hellmayr. The source of any particular name is not important. Hawaiian language names for species found only in that State are included and equated to English names—or vice versa. Some British names are included for species found in both the Old World and North America. Some truly vernacular or colloquial names of waterfowl, particularly, are included where they are distinctive to a species, but many such names are used only locally and others are applied indiscriminately. An extensive list of local names for game birds was published by W. L. McAtee in 1923, as *U.S. Department of Agriculture Miscellaneous Circular No. 13*.

Not all variants of old names are indexed. Where similar modifiers such as Texas and Texan, or San, Saint, and St. Lucas have been used for the same species, only one is listed. Where the difference between an old and modern name is merely "European" versus "Eurasian," the old name is not listed. Old names that differ from modern ones only in prefixing a modifier to a presently used group name, as in eastern and western house wren, are excluded,

except where there is a possibility of confusion with another species with a similar or identical group name (e.g., redstarts, nighthawks).

Old names are listed alphabetically by group name in the left column; some are listed more than once or are cross-referenced if the group name is ambiguous. The present English name of the species to which the old name applies is in the middle column, and its present scientific name is in the right column. Current English and scientific names are based on the sixth (1983) edition of the *Check-list of North American Birds* and supplements to the Check-list published in the *Auk* in 1985 and 1987. Several footnotes attempt to explain instances in which the application of an English name has changed from one species to another or there is some other possible confusion.

It is unlikely that this list is complete or error-free. Please call omissions or errors to the author's attention.

As noted, the concept of this list originated with Curtis Sabrosky. Martha B. Hays did much of the early compilation. David W. Johnston reviewed the entire manuscript, and Peter Cannell provided helpful suggestions.

Old name	Current name	Scientific name
accentor, mountain	accentor, Siberian	<i>Prunella montanella</i>
aeo	stilt, black-necked	<i>Himantopus mexicanus</i>
akohekohe	honeycreeper, crested	<i>Palmeria dolei</i>
alae keokeo	coot, American	<i>Fulica americana</i>
alae ula	moorhen, common	<i>Gallinula chloropus</i>
alala	crow, Hawaiian	<i>Corvus hawaiiensis</i>
alauwahio		
Maui	creeper, Maui	<i>Paroreomyza montana</i>
Oahu	creeper, Oahu	<i>Paroreomyza maculata</i>
albatross		
Steller's	albatross, short-tailed	<i>Diomedea albatrus</i>
pink-footed	albatross, yellow-nosed	<i>Diomedea chlororhynchos</i>
white-capped	albatross, shy	<i>Diomedea cauta</i>
amakihi		
Kauai	amakihi, common	<i>Hemignathus virens</i>
lesser	anianiau	<i>Hemignathus parvus</i>
ani		
black	ani, smooth-billed	<i>Crotophaga ani</i>
San Lucas	ani, groove-billed	<i>Crotophaga sulcirostris</i>
ao	shearwater, Townsend's	<i>Puffinus auricularis</i>

Old name	Current name	Scientific name
auk		
Aleutian	auklet, Cassin's	<i>Ptychoramphus aleuticus</i>
black-throated	murrelet, ancient	<i>Synthliboramphus antiquus</i>
little	dovekie	<i>Alle alle</i>
horn-billed	auklet, rhinoceros	<i>Cerorhinca monocerata</i>
knob-billed	auklet, least	<i>Aethia pusilla</i>
razor-billed	razorbill	<i>Alca torda</i>
baldpate	wigeon, American	<i>Anas americana</i>
becard, Xantus'	becard, rose-throated	<i>Pachyramphus aglaiae</i>
bittern, Cory's	bittern, least	<i>Ixobrychus exilis</i>
blackbird		
bicolored	blackbird, red-winged	<i>Agelaius phoeniceus</i>
cow	cowbird, brown-headed	<i>Molothrus ater</i>
crow	grackle sp.	<i>Quiscalus</i> sp.
red-and-buff-shouldered	blackbird, red-winged	<i>Agelaius phoeniceus</i>
red-and-white-shouldered	blackbird, tricolored	<i>Agelaius tricolor</i>
red-shouldered	blackbird, red-winged	<i>Agelaius phoeniceus</i>
swamp	blackbird, red-winged	<i>Agelaius phoeniceus</i>
white-shouldered	bunting, lark	<i>Calamospiza melanocorys</i>
black-breast	dunlin	<i>Calidris alpina</i>
black-head	duck, ring-necked	<i>Aythya collaris</i>
greater	scaup, greater	<i>Aythya marila</i>
lesser	scaup, lesser	<i>Aythya affinis</i>
ring-billed	duck, ring-necked	<i>Aythya collaris</i>
bluebill	scaup sp.	<i>Aythya marila</i> or <i>affinis</i>
bluebird		
Arctic	bluebird, mountain	<i>Sialia currucoides</i>
azure	bluebird, eastern	<i>Sialia sialis</i>
California	bluebird, western	<i>Sialia mexicana</i>
chestnut-backed	bluebird, western	<i>Sialia mexicana</i>
Florida	bluebird, eastern	<i>Sialia sialis</i>
Mexican	bluebird, western	<i>Sialia mexicana</i>
San Pedro	bluebird, western	<i>Sialia mexicana</i>
Tamaulipas	bluebird, eastern	<i>Sialia sialis</i>
bog-pumper	bittern, American	<i>Botaurus lentiginosus</i>
bogsucker	woodcock, American	<i>Scolopax minor</i>
booby		
blue-faced	booby, masked	<i>Sula dactylatra</i>
Brewster's	booby, brown	<i>Sula leucogaster</i>
red-faced	booby, red-footed	<i>Sula sula</i>
white	booby, masked	<i>Sula dactylatra</i>
white-bellied	booby, brown	<i>Sula leucogaster</i>
bos'n bird	tropicbird sp.	<i>Phaethon</i> sp.
broadbill	scaup sp.	<i>Aythya marila</i> or <i>affinis</i>
brownback	dowitcher, short-billed	<i>Limnodromus griseus</i>
bull-bat	nighthawk, common	<i>Chordeiles minor</i>
bullfinch, Cassin's	bullfinch, Eurasian	<i>Pyrrhula pyrrhula</i>

Old name	Current name	Scientific name
bullhead	plover, black-bellied	<i>Pluvialis squatarola</i>
bunting		
bay-winged	sparrow, vesper	<i>Poocetes gramineus</i>
beautiful	bunting, varied	<i>Passerina versicolor</i>
black-throated	dickcissel	<i>Spiza americana</i>
Lapland	longspur, Lapland	<i>Calcarius lapponicus</i>
towhee	towhee, rufous-sided	<i>Pipilo erythrophthalmus</i>
burrion	finch, house	<i>Carpodacus mexicanus</i>
butcher-bird	shrike, loggerhead or shrike, northern	<i>Lanius ludovicianus</i> <i>Lanius excubitor</i>
butterball	bufflehead	<i>Bucephala albeola</i>
buzzard	hawk or vulture	
Mexican	caracara, crested	<i>Polyborus plancus</i>
sooty	hawk, short-tailed	<i>Buteo brachyurus</i>
cahow	petrel, Bermuda	<i>Pterodroma cahow</i>
calico-back	turnstone, ruddy	<i>Arenaria interpres</i>
canary, wild	goldfinch, American or warbler, yellow	<i>Carduelis tristis</i> <i>Dendroica petechia</i>
caracara		
Audubon's	caracara, crested	<i>Polyborus plancus</i>
Florida	caracara, crested	<i>Polyborus plancus</i>
Guadalupe	caracara, crested	<i>Polyborus plancus</i>
cardinal		
Arizona	cardinal, northern	<i>Cardinalis cardinalis</i>
Brazilian	cardinal, red-crested	<i>Paroaria coronata</i>
common	cardinal, northern	<i>Cardinalis cardinalis</i>
crested	cardinal, red-crested	<i>Paroaria coronata</i>
eastern	cardinal, northern	<i>Cardinalis cardinalis</i>
Florida	cardinal, northern	<i>Cardinalis cardinalis</i>
gray-tailed	cardinal, northern	<i>Cardinalis cardinalis</i>
Kentucky	cardinal, northern	<i>Cardinalis cardinalis</i>
Louisiana	cardinal, northern	<i>Cardinalis cardinalis</i>
San Lucas	cardinal, northern	<i>Cardinalis cardinalis</i>
Santa Gertrudis	cardinal, northern	<i>Cardinalis cardinalis</i>
Texas	pyrrhuloxia	<i>Cardinalis sinuatus</i>
cardinal grosbeak	cardinal, northern	<i>Cardinalis cardinalis</i>
catbird		
common	catbird, gray	<i>Dumetella carolinensis</i>
northern	catbird, gray	<i>Dumetella carolinensis</i>
cedar-bird	waxwing, cedar	<i>Bombycilla cedrorum</i>
chachalaca, Texan	chachalaca, plain	<i>Ortalis vetula</i>
chapparal cock	roadrunner, greater	<i>Geococcyx californianus</i>
chat		
ground	yellowthroat, gray-crowned	<i>Geothlypis poliocephala</i>
long-tailed	chat, yellow-breasted	<i>Icteria virens</i>
chatterer, bohemian	waxwing, Bohemian	<i>Bombycilla garrulus</i>
cherry-bird	waxwing, cedar	<i>Bombycilla cedrorum</i>

Old name	Current name	Scientific name
chewink	towhee, rufous-sided	<i>Pipilo erythrophthalmus</i>
chickadee		
Acadian	chickadee, boreal	<i>Parus hudsonicus</i>
Alaska	tit, Siberian	<i>Parus cinctus</i>
Appalachian	chickadee, black-capped	<i>Parus atricapillus</i>
Bailey's	chickadee, mountain	<i>Parus gambeli</i>
Barlow's	chickadee, chestnut-sided	<i>Parus rufescens</i>
brown-capped	chickadee, boreal	<i>Parus hudsonicus</i>
California	chickadee, chestnut-sided	<i>Parus rufescens</i>
Cascade brown-headed	chickadee, boreal	<i>Parus hudsonicus</i>
Columbian	chickadee, boreal	<i>Parus hudsonicus</i>
Florida	chickadee, Carolina	<i>Parus carolinensis</i>
gray-headed	tit, Siberian	<i>Parus cinctus</i>
Grinnell's	chickadee, mountain	<i>Parus gambeli</i>
Hudsonian	chickadee, boreal	<i>Parus hudsonicus</i>
Inyo	chickadee, mountain	<i>Parus gambeli</i>
long-tailed	chickadee, black-capped	<i>Parus atricapillus</i>
Mrs. Bailey's	chickadee, mountain	<i>Parus gambeli</i>
Nicasio	chickadee, chestnut-sided	<i>Parus rufescens</i>
North Carolina	chickadee, Carolina	<i>Parus carolinensis</i>
Oregon	chickadee, black-capped	<i>Parus atricapillus</i>
plumbeous	chickadee, Carolina	<i>Parus carolinensis</i>
San Pedro	chickadee, mountain	<i>Parus gambeli</i>
short-tailed	chickadee, mountain	<i>Parus gambeli</i>
Siberian	tit, Siberian	<i>Parus cinctus</i>
Texan	chickadee, Carolina	<i>Parus carolinensis</i>
Yukon	chickadee, black-capped	<i>Parus atricapillus</i>
cobhead	goldeneye, common	<i>Bucephala clangula</i>
cock of the plains	grouse, sage	<i>Centrocercus urophasianus</i>
cock robin	merganser, hooded	<i>Lophodytes cucullatus</i>
cock, sage	grouse, sage	<i>Centrocercus urophasianus</i>
cormorant		
Baird's	cormorant, pelagic	<i>Phalacrocorax pelagicus</i>
black	cormorant, great	<i>Phalacrocorax carbo</i>
Brazilian	cormorant, olivaceous	<i>Phalacrocorax olivaceus</i>
common	cormorant, great	<i>Phalacrocorax carbo</i>
European	cormorant, great	<i>Phalacrocorax carbo</i>
Farallon	cormorant, double-crested	<i>Phalacrocorax auritus</i>
Florida	cormorant, double-crested	<i>Phalacrocorax auritus</i>
Mexican	cormorant, olivaceous	<i>Phalacrocorax olivaceus</i>
neotropical	cormorant, olivaceous	<i>Phalacrocorax olivaceus</i>
tufted	cormorant, Brandt's	<i>Phalacrocorax penicillatus</i>
violet-green	cormorant, pelagic	<i>Phalacrocorax pelagicus</i>
white-crested	cormorant, double-crested	<i>Phalacrocorax auritus</i>
white-tufted	cormorant, double-crested	<i>Phalacrocorax auritus</i>
courlan, scolopaceous	limpkin	<i>Aramus guarauna</i>
cowbird		
California	cowbird, brown-headed	<i>Molothrus ater</i>
dwarf	cowbird, brown-headed	<i>Molothrus ater</i>

Old name	Current name	Scientific name
eastern	cowbird, brown-headed	<i>Molothrus ater</i>
glossy	cowbird, shiny	<i>Molothrus bonariensis</i>
Nevada	cowbird, brown-headed	<i>Molothrus ater</i>
red-eyed	cowbird, bronzed	<i>Molothrus aeneus</i>
crake		
black	rail, black	<i>Laterallus jamaicensis</i>
yellow	rail, yellow	<i>Coturnicops noveboracensis</i>
crane		
blue	heron, great blue	<i>Ardea herodias</i>
European	crane, common	<i>Grus grus</i>
Florida	crane, sandhill	<i>Grus canadensis</i>
little brown	crane, sandhill	<i>Grus canadensis</i>
white	crane, whooping	<i>Grus americanus</i>
creeper		
black-and-white	warbler, black-and-white	<i>Mniotilta varia</i>
California	creeper, brown	<i>Certhia americana</i>
Mexican	creeper, brown	<i>Certhia americana</i>
Nevada	creeper, brown	<i>Certhia americana</i>
Rocky Mountain	creeper, brown	<i>Certhia americana</i>
Sierra	creeper, brown	<i>Certhia americana</i>
small-billed	warbler, black-and-white	<i>Mniotilta varia</i>
southern	creeper, brown	<i>Certhia americana</i>
tawny	creeper, brown	<i>Certhia americana</i>
western	creeper, brown	<i>Certhia americana</i>
crossbill		
American	crossbill, red	<i>Loxia curvirostra</i>
Bendire's	crossbill, red	<i>Loxia curvirostra</i>
Bent's	crossbill, red	<i>Loxia curvirostra</i>
common	crossbill, red	<i>Loxia curvirostra</i>
Grinnell's	crossbill, red	<i>Loxia curvirostra</i>
Mexican	crossbill, red	<i>Loxia curvirostra</i>
Newfoundland	crossbill, red	<i>Loxia curvirostra</i>
Sitka	crossbill, red	<i>Loxia curvirostra</i>
crow		
carrion	vulture, black	<i>Coragyps atratus</i>
Clark's	nutcracker, Clark's	<i>Nucifraga columbiana</i>
common	crow, American	<i>Corvus brachyrhynchos</i>
eastern	crow, American	<i>Corvus brachyrhynchos</i>
Florida	crow, American	<i>Corvus brachyrhynchos</i>
Porto Rican	crow, white-necked	<i>Corvus leucognaphalus</i>
southern	crow, American	<i>Corvus brachyrhynchos</i>
western	crow, American or crow, northwestern	<i>Corvus brachyrhynchos</i> <i>Corvus caurinus</i>
white-necked ¹	raven, Chihuahuan	<i>Corvus cryptoleucus</i>
crow blackbird		
boat-tailed	grackle, boat-tailed	<i>Quiscalus major</i>
bronzed	grackle, common	<i>Quiscalus quiscula</i>
Florida	grackle, common	<i>Quiscalus quiscula</i>
great-tailed	grackle, great-tailed	<i>Quiscalus mexicanus</i>

Old name	Current name	Scientific name
purple cuckoo	grackle, common	<i>Quiscalus quiscula</i>
black-eared	cuckoo, mangrove	<i>Coccyzus minor</i>
California	cuckoo, yellow-billed	<i>Coccyzus americana</i>
ground	roadrunner, greater	<i>Geococcyx californianus</i>
Himalayan	cuckoo, Oriental	<i>Cuculus saturatus</i>
Khasia Hills	cuckoo, common	<i>Cuculus canorus</i>
Maynard's	cuckoo, mangrove	<i>Coccyzus minor</i>
curlew		
common	curlew, Eurasian	<i>Numenius arquata</i>
Hudsonian	whimbrel	<i>Numenius phaeopus</i>
jack	whimbrel	<i>Numenius phaeopus</i>
northern	curlew, long-billed	<i>Numenius americanus</i>
Otahiti	curlew, bristle-thighed	<i>Numenius tahitiensis</i>
sicklebill	curlew, long-billed	<i>Numenius americanus</i>
dabchick, pied-billed	grebe, pied-billed	<i>Podilymbus podiceps</i>
darter		
American	anhinga	<i>Anhinga anhinga</i>
big blue	hawk, Cooper's	<i>Accipiter cooperii</i>
little blue	hawk, sharp-shinned	<i>Accipiter velox</i>
dipper, Mexican	dipper, American	<i>Cinclus mexicanus</i>
diver		
black-throated ²	loon, Arctic	<i>Gavia arctica</i>
great northern	loon, common	<i>Gavia immer</i>
red-throated	loon, red-throated	<i>Gavia stellata</i>
white-billed	loon, yellow-billed	<i>Gavia adamsii</i>
dove		
Barbary	turtle-dove, ringed	<i>Streptopelia risoria</i>
barred	dove, zebra	<i>Geopelia striata</i>
Carolina	dove, mourning	<i>Zenaida carolinensis</i>
common	dove, mourning	<i>Zenaida carolinensis</i>
red	pigeon, red-billed	<i>Columba flavirostris</i>
scaled	dove, Inca	<i>Columbina inca</i>
sea	dovekie	<i>Alle alle</i>
white-bellied	dove, Caribbean	<i>Leptotila jamaicensis</i>
white-fronted	dove, white-tipped	<i>Leptotila verreauxi</i>
dowitcher, eastern	dowitcher, short-billed	<i>Limnodromus griseus</i>
duck		
acorn	duck, wood	<i>Aix sponsa</i>
Bahama	pintail, white-cheeked	<i>Anas bahamensis</i>
black	duck, American black	<i>Anas rubripes</i>
Carolina	duck, wood	<i>Aix sponsa</i>
dusky	duck, mottled	<i>Anas fulvigula</i>
eider	eider, northern	<i>Somateria mollissima</i>
falcated	teal, falcated	<i>Anas falcata</i>
fish	merganser, red-breasted	<i>Mergus serrator</i>
Florida	duck, mottled	<i>Anas fulvigula</i>

Old name	Current name	Scientific name
gray	gadwall	<i>Anas strepera</i>
green-headed	mallard	<i>Anas platyrhynchos</i>
long-tailed	oldsquaw	<i>Clangula hyemalis</i>
Mexican	mallard	<i>Anas platyrhynchos</i>
New Mexican	mallard	<i>Anas platyrhynchos</i>
red-legged	duck, American black	<i>Anas rubripes</i>
sleepy	duck, ruddy	<i>Oxyura jamaicensis</i>
spirit	bufflehead	<i>Bucephala albeola</i>
spoonbill	shoveler, northern	<i>Anas clypeata</i>
St. Domingo	duck, masked	<i>Oxyura dominica</i>
summer	duck, wood	<i>Aix sponsa</i>
surf	scoter, surf	<i>Melanitta perspicillata</i>
tree-	whistling-duck	<i>Dendrocygna</i> sp.
dunk-a-doo	bittern, American	<i>Botaurus lentiginosus</i>
eagle		
American	eagle, bald	<i>Haliaeetus leucocephalus</i>
caracara	caracara, crested	<i>Polyborus plancus</i>
gray sea	eagle, white-tailed	<i>Haliaeetus albicilla</i>
Mexican	caracara, crested	<i>Polyborus plancus</i>
Washington	eagle, bald	<i>Haliaeetus leucocephalus</i>
white-headed	eagle, bald	<i>Haliaeetus leucocephalus</i>
egret		
American	egret, great	<i>Casmerodius albus</i>
Brewster's	egret, snowy	<i>Egretta thula</i>
common	egret, great	<i>Casmerodius albus</i>
Dickey's	egret, reddish	<i>Egretta rufescens</i>
little white	egret, snowy	<i>Egretta thula</i>
white	egret, great	<i>Casmerodius albus</i>
eider		
American	eider, northern	<i>Somateria mollissima</i>
black-throated	eider, northern	<i>Somateria mollissima</i>
Fischer's	eider, spectacled	<i>Somateria fischeri</i>
little	eider, Steller's	<i>Polysticta stelleri</i>
Pacific	eider, northern	<i>Somateria mollissima</i>
Siberian	eider, Steller's	<i>Polysticta stelleri</i>
elaenia, Antillean	elaenia, Caribbean	<i>Elaenia martinica</i>
euphonia, Porto Rican	euphonia, Antillean	<i>Euphonia musica</i>
falcon		
American lanner	falcon, prairie	<i>Falco mexicanus</i>
femoral	falcon, aplomado	<i>Falco femoralis</i>
Iceland	gyrfalcon	<i>Falco rusticolus</i>
Peale's	falcon, peregrine	<i>Falco peregrinus</i>
finch		
Abert's	towhee, Abert's	<i>Pipilo aberti</i>
Arizona summer	sparrow, Botteri's	<i>Aimophila botteri</i>

Old name	Current name	Scientific name
Arkansas	goldfinch, lesser	<i>Carduelis psaltria</i>
Bachman's summer	sparrow, Bachman's	<i>Aimophila aestivalis</i>
Bell's	sparrow, sage	<i>Amphispiza belli</i>
Bendire's summer	sparrow, rufous-winged	<i>Aimophila carpalis</i>
black-throated	sparrow, black-throated	<i>Amphispiza bilineata</i>
Boucard's summer	sparrow, rufous-crowned	<i>Aimophila ruficeps</i>
brown	towhee, brown	<i>Pipilo fuscus</i>
canon	towhee, brown	<i>Pipilo fuscus</i>
Cassin's	finch, Cassin's or sparrow, Cassin's	<i>Carpodacus cassinii</i> <i>Aimophila cassinii</i>
Cassin's purple	finch, Cassin's	<i>Carpodacus cassinii</i>
Cassin's summer	sparrow, Cassin's	<i>Aimophila cassinii</i>
crimson-fronted	finch, house	<i>Carpodacus mexicanus</i>
grass	sparrow, vesper	<i>Poocetes gramineus</i>
gray-capped	finch, rosy	<i>Leucosticte arctoa</i>
gray-crowned	finch, rosy	<i>Leucosticte arctoa</i>
gray-eared	finch, rosy	<i>Leucosticte arctoa</i>
green ³	sparrow, olive or towhee, green-tailed	<i>Arremonops rufivirgatus</i> <i>Pipilo chlorurus</i>
green singing	canary, yellow-fronted	<i>Serinus mozambicus</i>
grosbeak	grosbeak, Kona	<i>Chloridops kona</i>
Hepburn's	finch, rosy	<i>Leucosticte arctoa</i>
Illinois summer	sparrow, Bachman's	<i>Aimophila aestivalis</i>
indigo painted	bunting, indigo	<i>Passerina cyanea</i>
lark	sparrow, lark	<i>Chondestes grammacus</i>
lazuli painted	bunting, lazuli	<i>Passerina amoena</i>
Lincoln's	sparrow, Lincoln's	<i>Melospiza lincolni</i>
Nevada	sparrow, Bell's	<i>Amphispiza belli</i>
painted	bunting, painted	<i>Passerina ciris</i>
pine	siskin, pine	<i>Carduelis pinus</i>
red-capped	sparrow, rufous-crowned	<i>Aimophila ruficeps</i>
rose-breasted	finch, house	<i>Carpodacus mexicanus</i>
seaside	sparrow, seaside	<i>Ammodramus maritimus</i>
sharp-tailed	sparrow, sharp-tailed	<i>Ammodramus caudacutus</i>
Siberian	finch, rosy	<i>Leucosticte arctoa</i>
St. Lucas	sparrow, savannah	<i>Passerculus sandwichensis</i>
versicolor painted	bunting, varied	<i>Passerina versicolor</i>
western white-crowned	sparrow, white-crowned	<i>Zonotrichia leucophrys</i>
flamingo, American	flamingo, greater	<i>Phoenicopterus ruber</i>
flicker		
boreal	flicker, northern	<i>Colaptes auratus</i>
common	flicker, northern	<i>Colaptes auratus</i>
gilded	flicker, northern	<i>Colaptes auratus</i>
Guadalupe	flicker, northern	<i>Colaptes auratus</i>
Malherbe's	flicker, northern	<i>Colaptes auratus</i>
Mearns'	flicker, northern	<i>Colaptes auratus</i>
northwestern	flicker, northern	<i>Colaptes auratus</i>
red-shafted	flicker, northern	<i>Colaptes auratus</i>
San Fernando	flicker, northern	<i>Colaptes auratus</i>

Old name	Current name	Scientific name
San Pedro	flicker, northern	<i>Colaptes auratus</i>
southern	flicker, northern	<i>Colaptes auratus</i>
yellow-shafted	flicker, northern	<i>Colaptes auratus</i>
flycatcher		
Arizona crested	flycatcher, brown-crested	<i>Myiarchus tyrannulus</i>
Arkansas	kingbird, western	<i>Tyrannus verticalis</i>
beardless	beardless-tyrannulet, northern	<i>Campostoma imberbe</i>
black	phoebe, black or phainopepla	<i>Sayornis nigricans</i> <i>Phainopepla nitens</i>
black-tailed	gnatcatcher, black-tailed	<i>Polioptila melanura</i>
blue-gray	gnatcatcher, blue-gray	<i>Polioptila caerulea</i>
blue-headed	vireo, solitary	<i>Vireo solitarius</i>
Cassin's	kingbird, Cassin's	<i>Tyrannus vociferans</i>
Coue's	pewee, greater	<i>Contopus pertinax</i>
derby	kiskadee, great	<i>Pitangus sulphuratus</i>
grayish	flycatcher, dusky	<i>Empidonax oberholseri</i>
green-crested	flycatcher, Acadian	<i>Empidonax virescens</i>
kiskadee	kiskadee, great	<i>Pitangus sulphuratus</i>
Lawrence's crested	flycatcher, dusky-capped	<i>Myiarchus tuberculifer</i>
lead-colored	gnatcatcher, black-tailed	<i>Polioptila melanura</i>
little	flycatcher, willow	<i>Empidonax traillii</i>
little western	flycatcher, willow	<i>Empidonax traillii</i>
Lord Derby's	kiskadee, great	<i>Pitangus sulphuratus</i>
Lower California	flycatcher, ash-throated	<i>Myiarchus cinerascens</i>
Mexican crested	flycatcher, brown-crested	<i>Myiarchus tyrannulus</i>
northern crested	flycatcher, great crested	<i>Myiarchus crinitus</i>
olivaceous	flycatcher, dusky-capped	<i>Myiarchus tuberculifer</i>
pale-throated	flycatcher, Nutting's	<i>Myiarchus nuttingi</i>
pewit	phoebe sp.	<i>Sayornis</i> sp.
red	flycatcher, vermilion	<i>Pyrocephalus rubinus</i>
rufous-tailed crested	flycatcher, great crested	<i>Myiarchus crinitus</i>
San Lucas	flycatcher, western	<i>Empidonax difficilis</i>
Say's	phoebe	<i>Sayornis saya</i>
southern crested	flycatcher, great crested	<i>Myiarchus crinitus</i>
swallow-tailed	flycatcher, fork-tailed	<i>Tyrannus savana</i>
Townsend's	solitaire, Townsend's	<i>Myadestes townsendi</i>
Traill's	flycatcher, willow or alder	<i>Empidonax traillii</i> <i>Empidonax alnorum</i>
tyrant	kingbird sp.	<i>Tyrannus</i> sp.
Wied's crested	flycatcher, brown-crested	<i>Myiarchus tyrannulus</i>
western yellow-bellied	flycatcher, western	<i>Empidonax difficilis</i>
Wright's ⁴	flycatcher, gray or dusky	<i>Empidonax wrightii</i> <i>Empidonax oberholseri</i>
fly-up-the-creek	heron, green-backed	<i>Butorides striatus</i>
frigatebird, least	frigatebird, lesser	<i>Fregata ariel</i>
fulmar		
Atlantic	fulmar, northern	<i>Fulmaris glacialis</i>
Pacific	fulmar, northern	<i>Fulmaris glacialis</i>
Rodgers'	fulmar, northern	<i>Fulmaris glacialis</i>

Old name	Current name	Scientific name
slender-billed	fulmar, southern	<i>Fulmaris glacialoides</i>
gallinule		
common	moorhen, common	<i>Gallinula chloropus</i>
Florida	moorhen, common	<i>Gallinula chloropus</i>
gannet, booby	booby, brown	<i>Sula leucogaster</i>
garrot	goldeneye sp.	<i>Bucephala</i> sp.
gnatcatcher ⁵		
plumbeous	gnatcatcher, black-tailed	<i>Polioptila melanura</i>
Margarita	gnatcatcher, California	<i>Polioptila californica</i>
San Francisquito	gnatcatcher, California	<i>Polioptila californica</i>
San Lucas	gnatcatcher, blue-gray	<i>Polioptila caerulea</i>
Sonora	gnatcatcher, black-tailed	<i>Polioptila melanura</i>
western	gnatcatcher, blue-gray	<i>Polioptila caerulea</i>
Xantus'	gnatcatcher, California	<i>Polioptila californica</i>
godwit		
Pacific	godwit, bar-tailed	<i>Limosa lapponica</i>
white-rumped	godwit, bar-tailed	<i>Limosa lapponica</i>
goldeneye, American	goldeneye, common	<i>Bucephala clangula</i>
goldfinch		
Arkansas	goldfinch, lesser	<i>Carduelis psaltria</i>
California	goldfinch, American	<i>Carduelis tristis</i>
dark-backed	goldfinch, lesser	<i>Carduelis psaltria</i>
eastern	goldfinch, American	<i>Carduelis tristis</i>
green-backed	goldfinch, lesser	<i>Carduelis psaltria</i>
Mexican	goldfinch, lesser	<i>Carduelis psaltria</i>
northwestern	goldfinch, American	<i>Carduelis tristis</i>
pale	goldfinch, American	<i>Carduelis tristis</i>
pine	siskin, pine	<i>Carduelis pinus</i>
western	goldfinch, American	<i>Carduelis tristis</i>
willow	goldfinch, American	<i>Carduelis tristis</i>
yellow	goldfinch, American	<i>Carduelis tristis</i>
gooney (bird)		
black	albatross, black-footed	<i>Diomedea nigripes</i>
brown	albatross, black-footed	<i>Diomedea nigripes</i>
white	albatross, Laysan	<i>Diomedea immutabilis</i>
goosander	merganser, common	<i>Mergus merganser</i>
goose		
blue	goose, snow	<i>Chen caerulescens</i>
blue-winged	goose, snow	<i>Chen caerulescens</i>
brent	brant	<i>Branta bernicla</i>
cackling	goose, Canada	<i>Branta canadensis</i>
common wild	goose, Canada	<i>Branta canadensis</i>
Hutchins'	goose, Canada	<i>Branta canadensis</i>
painted	goose, emperor	<i>Chen canagica</i>
Richardson's	goose, Canada	<i>Branta canadensis</i>
ring-neck	goose, Canada	<i>Branta canadensis</i>
solan	gannet, northern	<i>Sula bassana</i>

Old name	Current name	Scientific name
tule	goose, greater white-fronted	<i>Anser albifrons</i>
tundra	goose, Canada	<i>Branta canadensis</i>
west coast	goose, Canada	<i>Branta canadensis</i>
white-cheeked	goose, Canada	<i>Branta canadensis</i>
goshawk, Mexican	hawk, gray or goshawk, northern	<i>Buteo nitidus</i> <i>Accipiter gentilis</i>
grackle		
blue-headed	blackbird, Brewer's	<i>Euphagus cyanocephalus</i>
bronzed	grackle, common	<i>Quiscalus quiscula</i>
Florida	grackle, common	<i>Quiscalus quiscula</i>
Porto Rican	grackle, Greater Antillean	<i>Quiscalus niger</i>
purple	grackle, common	<i>Quiscalus quiscula</i>
rusty	blackbird, rusty	<i>Euphagus carolinus</i>
grassquit, Bahama	grassquit, black-faced	<i>Tiaris bicolor</i>
Bryant's	grassquit, yellow-faced	<i>Tiaris olivacea</i>
grayback	knot, red	<i>Calidris canutus</i>
greater	dowitcher, long-billed	<i>Limnodromus scolopaceus</i>
grebe		
black-necked	grebe, eared	<i>Podiceps nigricollis</i>
Holboell's	grebe, red-necked	<i>Podiceps grisegena</i>
Mexican	grebe, least	<i>Tachybaptus dominicus</i>
Santo Domingo	grebe, least	<i>Tachybaptus dominicus</i>
Slavonian	grebe, horned	<i>Podiceps auritus</i>
swan ⁶	grebe, western	<i>Aechmophorus occidentalis</i>
swan-necked ⁶	grebe, western	<i>Aechmophorus occidentalis</i>
greenlet		
Bell's	vireo, Bell's	<i>Vireo bellii</i>
black-capped	vireo, black-capped	<i>Vireo atricapillus</i>
black-headed	vireo, black-capped	<i>Vireo atricapillus</i>
black-whiskered	vireo, black-whiskered	<i>Vireo altiloquus</i>
blue-headed	vireo, solitary	<i>Vireo solitarius</i>
brotherly-love	vireo, Philadelphia	<i>Vireo philadelphicus</i>
Cassin's	vireo, solitary	<i>Vireo solitarius</i>
gray	vireo, gray	<i>Vireo vicinior</i>
Hutton's	vireo, Hutton's	<i>Vireo huttoni</i>
lead-colored	vireo, solitary	<i>Vireo solitarius</i>
least	vireo, Bell's	<i>Vireo bellii</i>
plumbeous	vireo, solitary	<i>Vireo solitarius</i>
red-eyed	vireo, red-eyed	<i>Vireo olivaceus</i>
Swainson's warbling	vireo, warbling	<i>Vireo gilvus</i>
warbling	vireo, warbling	<i>Vireo gilvus</i>
white-eyed	vireo, white-eyed	<i>Vireo griseus</i>
yellow-green	vireo, red-eyed	<i>Vireo olivaceus</i>
yellow-throated	vireo, yellow-throated	<i>Vireo flavifrons</i>
grosbeak		
cardinal	cardinal, northern	<i>Cardinalis cardinalis</i>
purple-breasted	grosbeak, rose-breasted	<i>Pheucticus ludovicianus</i>
Rocky Mountain	grosbeak, black-headed	<i>Pheucticus melanocephalus</i>
scarlet	rosefinch, common	<i>Carpodacus erythrinus</i>

Old name	Current name	Scientific name
van Rossem's	grosbeak, yellow.	<i>Pheucticus chrysopeplus</i>
Vigors'	grosbeak, yellow	<i>Pheucticus chrysopeplus</i>
ground-dove		
Bahama	ground-dove, common	<i>Columbina passerina</i>
Cape	ground-dove, common	<i>Columbina passerina</i>
eastern	ground-dove, common	<i>Columbina passerina</i>
Mexican	ground-dove, common	<i>Columbina passerina</i>
scaly-breasted	ground-dove, common	<i>Columbina passerina</i>
ground-robin	towhee, rufous-sided	<i>Pipilo erythrophthalmus</i>
grouse		
Canada	grouse, spruce	<i>Dendragapus canadensis</i>
dusky	grouse, blue	<i>Dendragapus obscurus</i>
Fleming's	grouse, blue	<i>Dendragapus obscurus</i>
Franklin's	grouse, spruce	<i>Dendragapus canadensis</i>
fuliginous	grouse, blue	<i>Dendragapus obscurus</i>
Mount Pinos	grouse, blue	<i>Dendragapus obscurus</i>
Oregon	grouse, ruffed	<i>Bonasa umbellus</i>
pinnated	prairie-chicken, greater	<i>Tympanuchus cupido</i>
Richardson's	grouse, blue	<i>Dendragapus obscurus</i>
Sierra	grouse, blue	<i>Dendragapus obscurus</i>
Sitka	grouse, blue	<i>Dendragapus obscurus</i>
sooty	grouse, blue	<i>Dendragapus obscurus</i>
willow	ptarmigan, willow	<i>Lagopus lagopus</i>
guan, Texas	chachalaca, plain	<i>Ortalis vetula</i>
guillemot		
Arctic	murre, common	<i>Uria aalge</i>
California	guillemot, black	<i>Cepphus grylle</i>
common	murre, common	<i>Uria aalge</i>
Brunnich's	murre, common	<i>Uria aalge</i>
Mandt's	murre, thick-billed	<i>Uria lomvia</i>
guillemot, black	guillemot, black	<i>Cepphus grylle</i>
gull		
common	gull, mew	<i>Larus canus</i>
fork-tailed	gull, Sabine's	<i>Xema sabini</i>
Kamchatka	gull, mew	<i>Larus canus</i>
Kumlien's	gull, Iceland	<i>Larus glaucooides</i>
Nelson's	hybrid	<i>Larus hyperboreus</i> × <i>argentatus</i>
short-billed	gull, mew	<i>Larus canus</i>
Vega	gull, herring	<i>Larus argentatus</i>
wedge-tailed	gull, Ross'	<i>Rhodostethia rosea</i>
white-winged	gull, Iceland	<i>Larus glaucooides</i>
Wyman's	gull, western ⁷	<i>Larus occidentalis</i>
hagdon		
black	shearwater, sooty	<i>Puffinus griseus</i>
petrel	shearwater, greater	<i>Puffinus gravis</i>
hairbird	sparrow, chipping	<i>Spizella passerina</i>

Old name	Current name	Scientific name
hawk		
anthracite	black-hawk, common	<i>Buteogallus anthracinus</i>
Arizona	falcon, aplomado	<i>Falco femoralis</i>
band-tailed black	hawk, zone-tailed	<i>Buteo albonotatus</i>
bay-winged	hawk, Harris'	<i>Parabuteo unicinctus</i>
black-shouldered	kite, black-shouldered	<i>Elanus caeruleus</i>
brown	hawk, Swainson's	<i>Buteo swainsoni</i>
California	hawk, red-tailed	<i>Buteo jamaicensis</i>
Cooper's buzzard	hawk, red-tailed	<i>Buteo jamaicensis</i>
duck	falcon, peregrine	<i>Falco peregrinus</i>
elegant	hawk, red-shouldered	<i>Buteo lineatus</i>
ferruginous rough-leg	hawk, ferruginous	<i>Buteo regalis</i>
fish	osprey	<i>Pandion carolinensis</i>
Fuertes'	hawk, red-tailed	<i>Buteo jamaicensis</i>
gray-lined	hawk, gray	<i>Buteo nitidus</i>
Gruber's	hawk, Hawaiian	<i>Buteo solitarius</i>
Harlan's	hawk, red-tailed	<i>Buteo jamaicensis</i>
Krider's	hawk, red-tailed	<i>Buteo jamaicensis</i>
large-billed	hawk, roadside	<i>Buteo magnirostris</i>
marsh	harrier, northern	<i>Circus cyaneus</i>
Mexican	hawk, Cooper's	<i>Accipiter cooperii</i>
Mexican black	black-hawk, common	<i>Buteogallus anthracinus</i>
pigeon	merlin	<i>Falco columbarius</i>
prairie	falcon, prairie	<i>Falco mexicanus</i>
red-bellied	hawk, red-shouldered	<i>Buteo lineatus</i>
rusty squirrel	hawk, ferruginous	<i>Buteo regalis</i>
sharp-winged	hawk, Swainson's	<i>Buteo swainsoni</i>
sparrow ⁸	kestrel, American	<i>Falco sparverius</i>
St. John's black	hawk, rough-legged	<i>Buteo lagopus</i>
winter	hawk, red-shouldered	<i>Buteo lineatus</i>
hen		
heath	prairie-chicken, greater	<i>Tympanuchus cupido</i>
Indian	bittern, American	<i>Botaurus lentiginosus</i>
marsh, fresh-water	rail, king	<i>Rallus elegans</i>
prairie	prairie-chicken, greater	<i>Tympanuchus cupido</i>
sage	grouse, sage	<i>Centrocercus urophasianus</i>
salt marsh	rail, clapper	<i>Rallus longirostris</i>
hell-diver ⁹	grebe, horned	<i>Podiceps auritus</i>
heron		
American night	night-heron, black-crowned	<i>Nycticorax nycticorax</i>
Anthony's green	heron, green-backed	<i>Butorides striatus</i>
Bancroft's night	night-heron, yellow-crowned	<i>Nycticorax violaceus</i>
buff-backed	egret, cattle	<i>Bubulcus ibis</i>
California	heron, great blue	<i>Ardea herodias</i>
eastern green	heron, green-backed	<i>Butorides striatus</i>
Espiritu Santo	heron, great blue	<i>Ardea herodias</i>
Florida	heron, great blue	<i>Ardea herodias</i>
Frazar's green	heron, green-backed	<i>Butorides striatus</i>
great white	heron, great blue	<i>Ardea herodias</i>

Old name	Current name	Scientific name
little green	heron, green-backed	<i>Butorides striatus</i>
Louisiana	heron, tricolored	<i>Egretta tricolor</i>
northwestern coast	heron, great blue	<i>Ardea herodias</i>
San Lucas	heron, great blue	<i>Ardea herodias</i>
Treganza's	heron, great blue	<i>Ardea herodias</i>
Ward's	heron, great blue	<i>Ardea herodias</i>
hill-robin, Japanese honeycreeper	leiothrix, red-billed	<i>Leiothrix lutea</i>
Bahama	bananaquit	<i>Coereba flaveola</i>
black-faced	poo-uli	<i>Melamprosops phaeosoma</i>
Laysan	apapane	<i>Himatione sanguinea</i>
honker	Canada goose	<i>Branta canadensis</i>
hummingbird		
Alexander	hummingbird, black-chinned	<i>Archilochus alexandri</i>
black-fronted	hummingbird, Xantus'	<i>Hylocharis xantusii</i>
Circe	hummingbird, broad-billed	<i>Cyanthus latirostris</i>
dusky-tailed	hummingbird, rufous-tailed	<i>Amazilia tzacatl</i>
fawn-breasted	hummingbird, buff-bellied	<i>Amazilia yucatanensis</i>
Heloise's	hummingbird, bumblebee	<i>Atthis heloisa</i>
Morcom's	hummingbird, bumblebee	<i>Atthis heloisa</i>
red-backed	hummingbird, rufous	<i>Selasphorus rufus</i>
refulgent	hummingbird, magnificent	<i>Eugenes fulgens</i>
Rieffer's	hummingbird, rufous-tailed	<i>Amazilia tzacatl</i>
Rivoli's	hummingbird, magnificent	<i>Eugenes fulgens</i>
Yucatan	hummingbird, buff-bellied	<i>Amazilia yucatanensis</i>
hwa-mei	laughing-thrush, melodious	<i>Garrulax canorus</i>
ibis, wood	stork, wood	<i>Mycteria americana</i>
indigo bird	bunting, indigo	<i>Passerina cyanea</i>
io	hawk, Hawaiian	<i>Buteo solitarius</i>
jacana, Mexican	jacana, northern	<i>Jacana spinosa</i>
jay		
Alaska	jay, gray	<i>Perisoreus canadensis</i>
Alberta	jay, gray	<i>Perisoreus canadensis</i>
Anticosti	jay, gray	<i>Perisoreus canadensis</i>
Arizona	jay, gray-breasted	<i>Aphelocoma ultramarina</i>
Belding's	jay, scrub	<i>Aphelocoma coerulescens</i>
black-headed	jay, Steller's	<i>Cyanocitta stelleri</i>
blue-eared	jay, scrub	<i>Aphelocoma coerulescens</i>
blue-fronted	jay, Steller's	<i>Cyanocitta stelleri</i>
California	jay, scrub	<i>Aphelocoma coerulescens</i>
Canada	jay, gray	<i>Perisoreus canadensis</i>
coast	jay, Steller's	<i>Cyanocitta stelleri</i>
connective	jay, Steller's	<i>Cyanocitta stelleri</i>
Couch's	jay, gray-breasted	<i>Aphelocoma ultramarina</i>
desert California	jay, scrub	<i>Aphelocoma coerulescens</i>
Florida	jay, scrub	<i>Aphelocoma coerulescens</i>

Old name	Current name	Scientific name
Grinnell's	jay, Steller's	<i>Cyanocitta stelleri</i>
Idaho	jay, gray	<i>Perisoreus canadensis</i>
Inca	jay, green	<i>Cyanocorax yncas</i>
Labrador	jay, gray	<i>Perisoreus canadensis</i>
long-crested	jay, Steller's	<i>Cyanocitta stelleri</i>
long-tailed	jay, scrub	<i>Aphelocoma coerulescens</i>
Maximillian's	jay, pinyon	<i>Gymnorhinus cyanocephalus</i>
Mexican	jay, gray-breasted	<i>Aphelocoma ultramarina</i>
Nevada crested	jay, Steller's	<i>Cyanocitta stelleri</i>
Nicasio	jay, scrub	<i>Aphelocoma coerulescens</i>
Oregon	jay, gray	<i>Perisoreus canadensis</i>
Osgood's	jay, Steller's	<i>Cyanocitta stelleri</i>
Queen Charlotte	jay, Steller's	<i>Cyanocitta stelleri</i>
Red Deer	jay, gray	<i>Perisoreus canadensis</i>
Rio Grande	jay, green	<i>Cyanocorax yncas</i>
Rocky Mountain	jay, gray	<i>Perisoreus canadensis</i>
Santa Cruz	jay, scrub	<i>Aphelocoma coerulescens</i>
Sieber's	jay, gray-breasted	<i>Aphelocoma ultramarina</i>
Sierra Nevada	jay, Steller's	<i>Cyanocitta stelleri</i>
Texas	jay, scrub	<i>Aphelocoma coerulescens</i>
ultramarine	jay, gray-breasted	<i>Aphelocoma ultramarina</i>
white-headed	jay, gray	<i>Perisoreus canadensis</i>
Woodhouse's	jay, scrub	<i>Aphelocoma coerulescens</i>
Xantus'	jay, scrub	<i>Aphelocoma coerulescens</i>
junco		
Arizona	junco, yellow-eyed	<i>Junco phaeonotus</i>
Baird's	junco, dark-eyed	<i>Junco hyemalis</i>
Carolina	junco, dark-eyed	<i>Junco hyemalis</i>
gray-headed	junco, dark-eyed	<i>Junco hyemalis</i>
Guadalupe	junco, dark-eyed	<i>Junco hyemalis</i>
Laguna Hanson	junco, dark-eyed	<i>Junco hyemalis</i>
Mexican	junco, yellow-eyed	<i>Junco phaeonotus</i>
Montana	junco, dark-eyed	<i>Junco hyemalis</i>
Nevada	junco, dark-eyed	<i>Junco hyemalis</i>
Oregon	junco, dark-eyed	<i>Junco hyemalis</i>
pink-sided	junco, dark-eyed	<i>Junco hyemalis</i>
Point Pinos	junco, dark-eyed	<i>Junco hyemalis</i>
red-backed	junco, dark-eyed	<i>Junco hyemalis</i>
Ridgway's	junco, dark-eyed	<i>Junco hyemalis</i>
Shufeldt's	junco, dark-eyed	<i>Junco hyemalis</i>
slate-colored	junco, dark-eyed	<i>Junco hyemalis</i>
Thurber's	junco, dark-eyed	<i>Junco hyemalis</i>
Townsend's	junco, dark-eyed	<i>Junco hyemalis</i>
white-winged	junco, dark-eyed	<i>Junco hyemalis</i>
red-backed	junco, yellow-eyed	<i>Junco phaeonotus</i>
kakawahie	creeper, Molokai	<i>Paroreomyza flammea</i>
kestrel, Dixie	kestrel, American	<i>Falco sparverius</i>

Old name	Current name	Scientific name
kingbird		
Arkansas	kingbird, western	<i>Tyrannus verticalis</i>
Lichtenstein's	kingbird, tropical ¹⁰	<i>Tyrannus melancholicus</i>
thornscrub	kingbird, Couch's	<i>Tyrannus couchii</i>
west Mexican	kingbird, tropical	<i>Tyrannus melancholicus</i>
kingfisher, Texas	kingfisher, green	<i>Chloroceryle americana</i>
kinglet		
dusky	kinglet, ruby-crowned	<i>Regulus calendula</i>
Sitka	kinglet, ruby-crowned	<i>Regulus calendula</i>
kite		
Cuban	kite, hook-billed	<i>Chondrohierax uncinatus</i>
Everglade	kite, snail	<i>Rostrhamus sociabilis</i>
white-tailed	kite, black-shouldered	<i>Elanus caeruleus</i>
kittiwake		
Atlantic	kittiwake, black-legged	<i>Rissa tridactyla</i>
Kotzebue's	kittiwake, black-legged	<i>Rissa tridactyla</i>
Pacific	kittiwake, black-legged	<i>Rissa tridactyla</i>
short-billed	kittiwake, red-legged	<i>Rissa brevirostris</i>
knot		
American	knot, red	<i>Calidris canutus</i>
eastern Asiatic	knot, great	<i>Calidris tenuirostris</i>
koa-finch		
orange	koa-finch, greater	<i>Rhodocanthis palmeri</i>
yellow-headed	koa-finch, lesser	<i>Rhodocanthis flaviceps</i>
koloa	duck, Hawaiian	<i>Anas wyvilliana</i>
lark		
brown	pipit, water	<i>Anthus spinoletta</i>
field	meadowlark, eastern	<i>Sturnella magna</i>
shore	lark, horned	<i>Eremophila alpestris</i>
Sprague's	pipit, Sprague's	<i>Anthus spragueii</i>
western	meadowlark, western	<i>Sturnella neglecta</i>
laughing-thrush		
black-gorgeted	laughing-thrush, greater	
	necklaced	<i>Garrulax pectoralis</i>
spectacled	laughing-thrush, melodious	<i>Garrulax canorus</i>
lawyer	stilt, black-necked	<i>Himantopus mexicanus</i>
leucosticte		
Aleutian	finch, rosy	<i>Leucosticte arctoa</i>
black	finch, rosy	<i>Leucosticte arctoa</i>
brown-capped	finch, rosy	<i>Leucosticte arctoa</i>
gray-crowned	finch, rosy	<i>Leucosticte arctoa</i>
Hepburn's	finch, rosy	<i>Leucosticte arctoa</i>
linnet		
blue	bunting, lazuli	<i>Passerina amoena</i>
California	finch, house	<i>Carpodacus mexicanus</i>
Guadalupe	finch, house	<i>Carpodacus mexicanus</i>
McGregor	finch, house	<i>Carpodacus mexicanus</i>

Old name	Current name	Scientific name
pine	siskin, pine	<i>Carduelis pinus</i>
red-poll	redpoll, common	<i>Carduelis flammea</i>
San Clemente	finch, house	<i>Carpodacus mexicanus</i>
San Lucas	finch, house	<i>Carpodacus mexicanus</i>
log-cock	woodpecker, pileated	<i>Dryocopus pileatus</i>
longspur		
Alaska	longspur, Lapland	<i>Calcarius lapponicus</i>
painted	longspur, Smith's	<i>Calcarius pictus</i>
loon, black-billed	loon, common	<i>Gavia immer</i>
black-throated ²	loon, Arctic	<i>Gavia arctica</i>
green-throated ²	loon, Arctic	<i>Gavia arctica</i>
lesser	loon, common	<i>Gavia immer</i>
magpie, American	magpie, black-billed	<i>Pica pica</i>
mallard, black	duck, American black	<i>Anas rubripes</i>
man-o-war-bird	frigatebird, magnificent	<i>Fregata magnificens</i>
Galapagos	frigatebird, magnificent	<i>Fregata magnificens</i>
North Pacific	frigatebird, great	<i>Fregata minor</i>
marlin	godwit, marbled	<i>Limosa fedoa</i>
ring-tailed	godwit, Hudsonian	<i>Limosa haemastica</i>
martin		
bee	kingbird, eastern	<i>Tyrannus tyrannus</i>
European	house-martin, common	<i>Delichon urbica</i>
sand	swallow, bank	<i>Riparia riparia</i>
western	martin, purple	<i>Progne subis</i>
meadowlark		
Arizona	meadowlark, eastern	<i>Sturnella magna</i>
Liliana's	meadowlark, eastern	<i>Sturnella magna</i>
Rio Grande	meadowlark, eastern	<i>Sturnella magna</i>
southern	meadowlark, eastern	<i>Sturnella magna</i>
Texas	meadowlark, eastern	<i>Sturnella magna</i>
merganser, American	merganser, common	<i>Mergus merganser</i>
mockingbird		
French	shrike, loggerhead	<i>Lanius ludovicianus</i>
Jamaican	mockingbird, northern	<i>Mimus polyglottos</i>
mountain	thrasher, sage	<i>Oreoscoptes montanus</i>
mocking-wren	wren, Bewick's	<i>Thryomanes bewickii</i>
mollymawk	albatross, yellow-nosed	<i>Diomedea chlororhynchos</i>
mudhen	coot, American	<i>Fulica americana</i>
murre		
Atlantic	murre, common	<i>Uria aalge</i>
Bering Sea	murre, common	<i>Uria aalge</i>
Brunnich's	murre, thick-billed	<i>Uria lomvia</i>
California	murre, common	<i>Uria aalge</i>
Pallas's	murre, thick-billed	<i>Uria lomvia</i>
thin-billed	murre, common	<i>Uria aalge</i>
murrelet		
San Benito Island	murrelet, Xantus'	<i>Synthliboramphus hypoleucus</i>

Old name	Current name	Scientific name
Scripps's short-winged white-bellied muttonbird	murrelet, Xantus' murrelet, ancient murrelet, Xantus' shearwater, short-tailed	<i>Synthliboramphus hypoleucus</i> <i>Synthliboramphus antiquus</i> <i>Synthliboramphus hypoleucus</i> <i>Puffinus tenuirostris</i>
myioborus, red-bellied myna(h)	redstart, slate-throated	<i>Myioborus miniatus</i>
house Indian Indian hill talking	myna, common myna, common myna, hill myna, hill	<i>Acridotheres tristis</i> <i>Acridotheres tristis</i> <i>Gracula religiosa</i> <i>Gracula religiosa</i>
nene	goose, Hawaiian	<i>Nesochen sandvicensis</i>
niggergoose	cormorant, double-crested	<i>Phalacrocorax auritus</i>
nighthawk		
Asseri	nighthawk, common	<i>Chordeiles minor</i>
booming	nighthawk, common	<i>Chordeiles minor</i>
Cherrie's	nighthawk, common	<i>Chordeiles minor</i>
eastern	nighthawk, common	<i>Chordeiles minor</i>
Florida	nighthawk, common	<i>Chordeiles minor</i>

Madeiran	storm-petrel, band-rumped	<i>Oceanodroma castro</i>
Salvin's	petrel, Bonin	<i>Pterodroma hypoleuca</i>
scaled	petrel, mottled	<i>Pterodroma inexpectata</i>
Socorro	storm-petrel, Leach's	<i>Oceanodroma leucorhoa</i>
South Trinidad	petrel, herald	<i>Pterodroma arminjoniana</i>
storm[y]	storm-petrel, British	<i>Hydrobates pelagicus</i>
Townsend	storm-petrel, black	<i>Oceanodroma melania</i>
Trindade	petrel, herald	<i>Pterodroma arminjoniana</i>
variable	petrel, Kermadec	<i>Pterodroma neglecta</i>
pewee		
Coues'	pewee, greater	<i>Contopus pertinax</i>
short-legged	wood-pewee, western	<i>Contopus sordidulus</i>
phalarope		
gray	phalarope, red	<i>Phalaropus fulicaria</i>
hyperborean	phalarope, red-necked	<i>Phalaropus lobatus</i>
northern	phalarope, red-necked	<i>Phalaropus lobatus</i>
pheasant		
Chinese	pheasant, ring-necked	<i>Phasianus colchicus</i>
common	pheasant, ring-necked	<i>Phasianus colchicus</i>
English	pheasant, ring-necked	<i>Phasianus colchicus</i>
green	pheasant, ring-necked	<i>Phasianus colchicus</i>
Japanese	pheasant, ring-necked	<i>Phasianus colchicus</i>
phoebe		
San Jose	phoebe, Say's	<i>Sayornis saya</i>
San Lucas	phoebe, black	<i>Sayornis nigricans</i>
San Pedro Martir	phoebe, Say's	<i>Sayornis saya</i>
San Quintin	phoebe, black	<i>Sayornis nigricans</i>
Yukon	phoebe, Say's	<i>Sayornis saya</i>
pigeon		
Cape	petrel, Cape	<i>Daption capense</i>
carrier	dove, rock	<i>Columba livia</i>
common	dove, rock	<i>Columba livia</i>
feral	dove, rock	<i>Columba livia</i>
homing	dove, rock	<i>Columba livia</i>
Key West	quail-dove, Key West	<i>Geotrygon chrysia</i>
red-necked	pigeon, scaly-naped	<i>Columba squamosa</i>
rock	dove, rock	<i>Columba livia</i>
rufous	pigeon, pale-vented	<i>Columba cayennensis</i>
Viosca's	pigeon, band-tailed	<i>Columba fasciata</i>
white-fronted	dove, white-tipped	<i>Leptotila verreauxi</i>
wild	pigeon, passenger	<i>Ectopistes migratorius</i>
pintail		
American	pintail, northern	<i>Anas acuta</i>
Bahama	pintail, white-cheeked	<i>Anas bahamensis</i>
common	pintail, northern	<i>Anas acuta</i>

Old name	Current name	Scientific name
Galapagos pipit	pintail, white-cheeked	<i>Anas bahamensis</i>
American	pipit, water	<i>Anthus spinoletta</i>
Japanese	pipit, water	<i>Anthus spinoletta</i>
olive-backed	tree-pipit, olive	<i>Anthus hodgsoni</i>
vinaceous-throated	pipit, red-throated	<i>Anthus cervinus</i>
plover		
Belding's	plover, Wilson's	<i>Charadrius wilsonia</i>
field	sandpiper, upland	<i>Bartramia longicauda</i>
gray	plover, black-bellied	<i>Pluvialis squatarola</i>
Kentish	plover, snowy	<i>Charadrius alexandrinus</i>
thick-billed	plover, Wilson's	<i>Charadrius wilsonia</i>
ruddy	sanderling	<i>Calidris alba</i>
upland	sandpiper, upland	<i>Bartramia longicauda</i>
pochard, American	redhead	<i>Aythya americana</i>
poke	heron, green-backed	<i>Butorides striatus</i>
poor-will		
Colorado Desert	poor-will, common	<i>Phalaenoptilus nuttallii</i>
desert	poor-will, common	<i>Phalaenoptilus nuttallii</i>
dusky	poor-will, common	<i>Phalaenoptilus nuttallii</i>
frosted	poor-will, common	<i>Phalaenoptilus nuttallii</i>
Nuttall's	poor-will, common	<i>Phalaenoptilus nuttallii</i>
San Ignacio	poor-will, common	<i>Phalaenoptilus nuttallii</i>
prairie-chicken		
Attwater's	prairie-chicken, greater	<i>Tympanuchus cupido</i>
pseudonestor	parrotbill, Maui	<i>Pseudonestor xanthophrys</i>
ptarmigan		
Adak	ptarmigan, rock	<i>Lagopus mutus</i>
Alaska	ptarmigan, willow	<i>Lagopus lagopus</i>
Alexander's	ptarmigan, willow	<i>Lagopus lagopus</i>
Allen's	ptarmigan, willow	<i>Lagopus lagopus</i>
Chamberlain's	ptarmigan, rock	<i>Lagopus mutus</i>
Dixon's	ptarmigan, rock	<i>Lagopus mutus</i>
Evermann's	ptarmigan, rock	<i>Lagopus mutus</i>
Kellogg's	ptarmigan, rock	<i>Lagopus mutus</i>
Nelson's	ptarmigan, rock	<i>Lagopus mutus</i>
Reinhardt's	ptarmigan, rock	<i>Lagopus mutus</i>
Sanford's	ptarmigan, rock	<i>Lagopus mutus</i>
Townsend's	ptarmigan, rock	<i>Lagopus mutus</i>
Turner's	ptarmigan, rock	<i>Lagopus mutus</i>
Ungava	ptarmigan, willow	<i>Lagopus lagopus</i>
Welch's	ptarmigan, rock	<i>Lagopus mutus</i>
white-shafted	ptarmigan, willow	<i>Lagopus lagopus</i>
ptilogenys		
black	phainopepla	<i>Phainopepla nitens</i>
Mexican	silky-flycatcher, gray	<i>Ptilogenys cinereus</i>
Townsend's	solitaire, Townsend's	<i>Myadestes townsendi</i>
pueo	owl, short-eared	<i>Asio flammeus</i>

Old name	Current name	Scientific name
puffin		
common	puffin, Atlantic	<i>Fratercula arctica</i>
horn-billed	auklet, rhinoceros	<i>Cerorhinca monocerata</i>
large-billed	puffin, Atlantic	<i>Fratercula arctica</i>
purre	dunlin	<i>Calidris alpina</i>
quail		
American	bobwhite, northern	<i>Colinus virginianus</i>
Arizona	quail, scaled or Gambel's	<i>Callipepla squamata</i> <i>Callipepla gambelii</i>
bobwhite	bobwhite, northern	<i>Colinus virginianus</i>
Canfield's	quail, California	<i>Callipepla californica</i>
Catalina (Island)	quail, California	<i>Callipepla californica</i>
chestnut-bellied	quail, scaled	<i>Callipepla squamata</i>
harlequin	quail, Montezuma	<i>Cyrtonyx montezumae</i>

tule	yellowthroat, common	<i>Geothlypis trichas</i>
western	yellowthroat, common	<i>Geothlypis trichas</i>

¹ White-necked crow is properly applied to *Corvus leucognaphalus* of Hispaniola and (formerly) Puerto Rico.

² This name may also apply to the Pacific loon, *Gavia pacifica*, recently split from the Arctic loon.

³ Several species in the genus *Carduelis* are presently called greenfinches.

⁴ Records of Wright's flycatcher before 1939, and most before 1957, pertain to *Empidonax oberholseri*.

⁵ Nomenclature of the black-tailed group of gnatcatchers follows the recommendation of Atwood 1988 (Ornithol. Monogr. no. 42).

⁶ These names may apply also to Clark's grebe, *Aechmophorus clarki*, recently split from the western grebe. The latter name was used for the two species combined.

⁷ The name western gull was used until recently to include the species now known as the yellow-legged gull, *Larus livens*.

⁸ The name sparrowhawk to a group of Old World species in *Accipiter*.

⁹ This name may be applied loosely to any grebe.

¹⁰ Early references to the tropical kingbird may refer to the present Couch's kingbird, *Tyrannus couchii*; the species have recently been divided.

¹¹ Redwing applies properly to a Eurasian thrush, *Turdus iliacus*, but has been used with various modifiers for the red-winged blackbird.

¹² Pink-footed shearwater is the current name for *Puffinus creatopus*.

¹³ This name has been applied also to populations now known as kamao, *M. myadestinus*; amaui, *M. oahuensis*; and olomao, *M. lanaiensis*. All were formerly considered a single species.

¹⁴ This is not *Pipilo albicollis* of Mexico.

¹⁵ Yellowhammer is properly applied to an Old World sparrow, *Emberiza citrinella*.

Banks, Richard C. 1988. **Obsolete English Names of North American Birds and Their Modern Equivalents.** U.S. Fish Wildl. Serv., *Resour. Publ.* 174. 37 pp.

This paper lists old and presently unused English (common) names of species and subspecies of North American birds and gives the current English and scientific names for the species involved. Reasons that English names of birds have changed are discussed.

Key words: North American birds, English names, common names, nomenclature, taxonomy.

Banks, Richard C. 1988. **Obsolete English Names of North American Birds and Their Modern Equivalents.** U.S. Fish Wildl. Serv., *Resour. Publ.* 174. 37 pp.

As the Nation's principal conservation agency, the Department of the Interior has responsibility for most of our nationally owned public lands and natural resources. This includes fostering the wisest use of our land and water resources, protecting our fish and wildlife, preserving the environmental and cultural values of our national parks and historical places, and providing for the enjoyment of life through outdoor recreation. The Department assesses our energy and mineral resources and works to assure that their development is in the best interests of all our people. The Department also has a major responsibility for American Indian reservation communities and for people who live in island territories under U.S. administration.
