

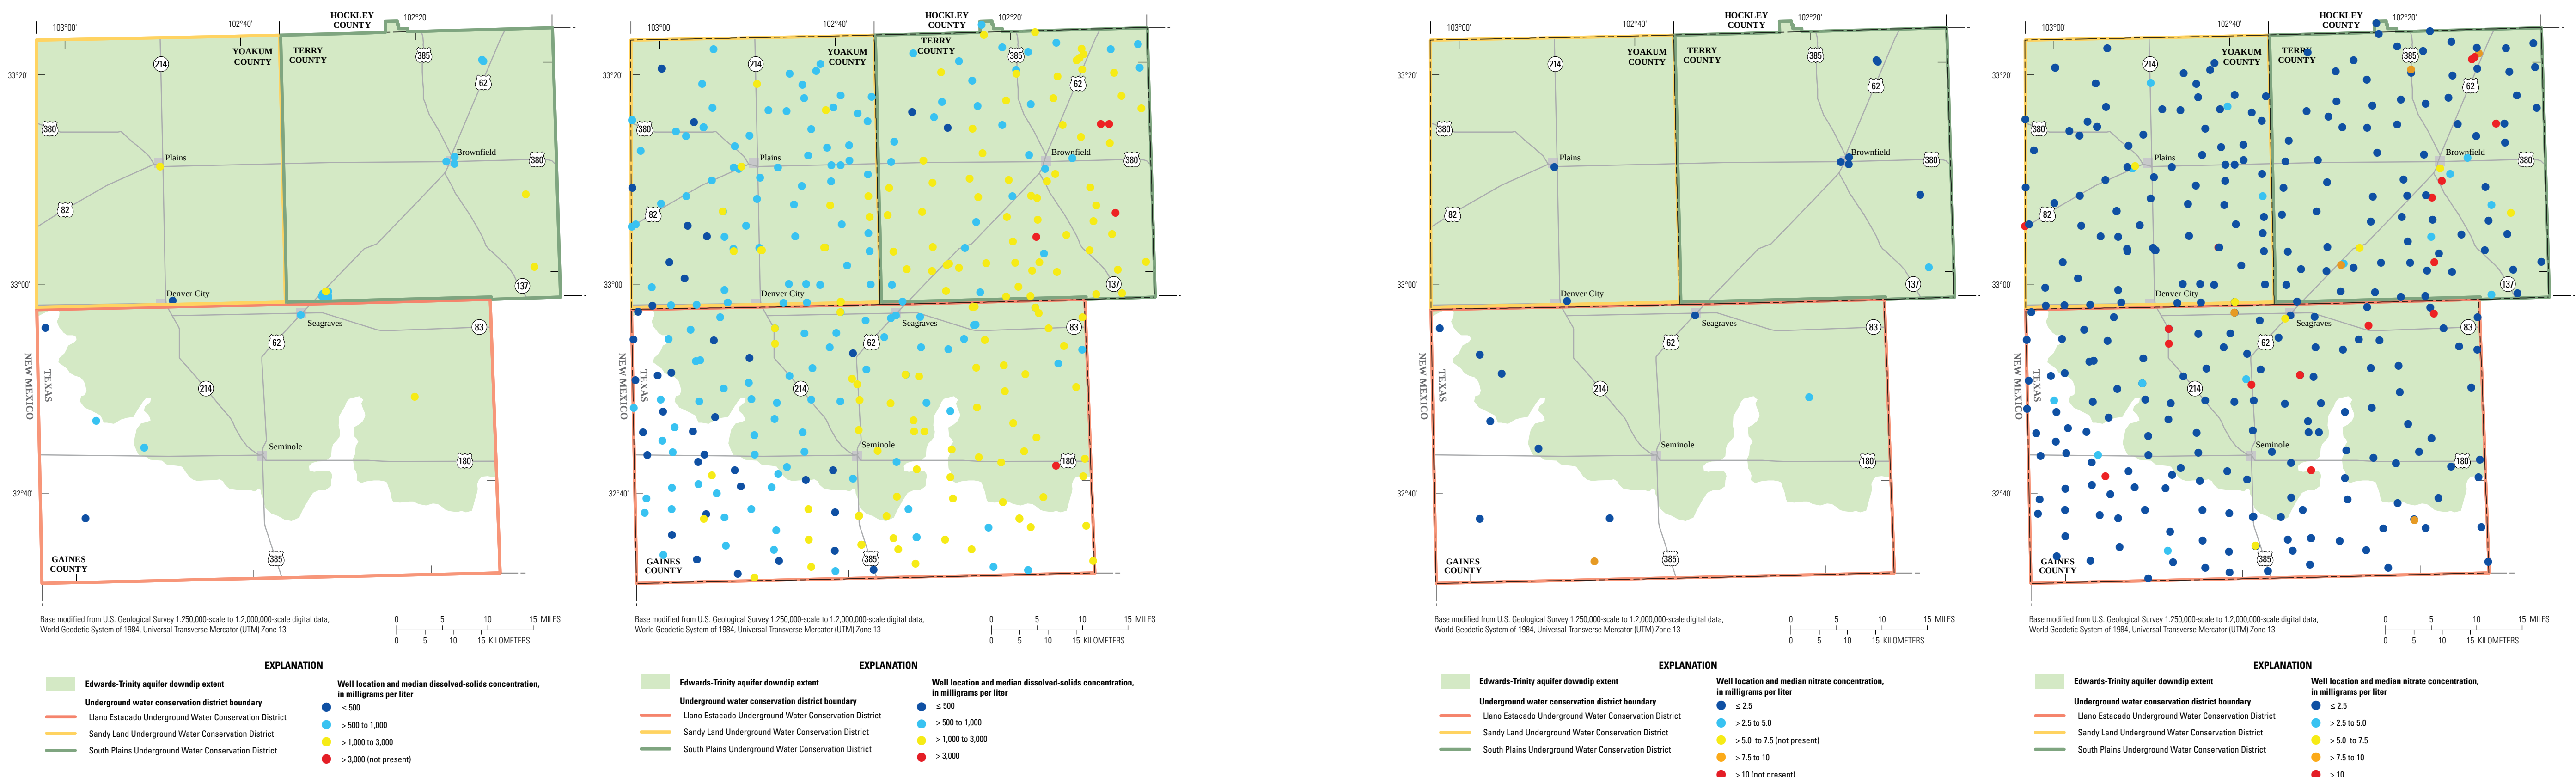

Figure 10. Early development period (1930–60) dissolved-solids concentrations measured in samples collected from wells completed in the Ogallala aquifer in and near Gaines, Terry, and Yoakum Counties, Texas.

Figure 11. Recent period (2005–15) dissolved-solids concentrations measured in samples collected from wells completed in the Ogallala aquifer in and near Gaines, Terry, and Yoakum Counties, Texas.

Figure 12. Early development period (1930–60) nitrate concentrations measured in samples collected from wells completed in the Ogallala aquifer in and near Gaines, Terry, and Yoakum Counties, Texas.

Figure 13. Recent period (2005–15) nitrate concentrations measured in samples collected from wells completed in the Ogallala aquifer in and near Gaines, Terry, and Yoakum Counties, Texas.

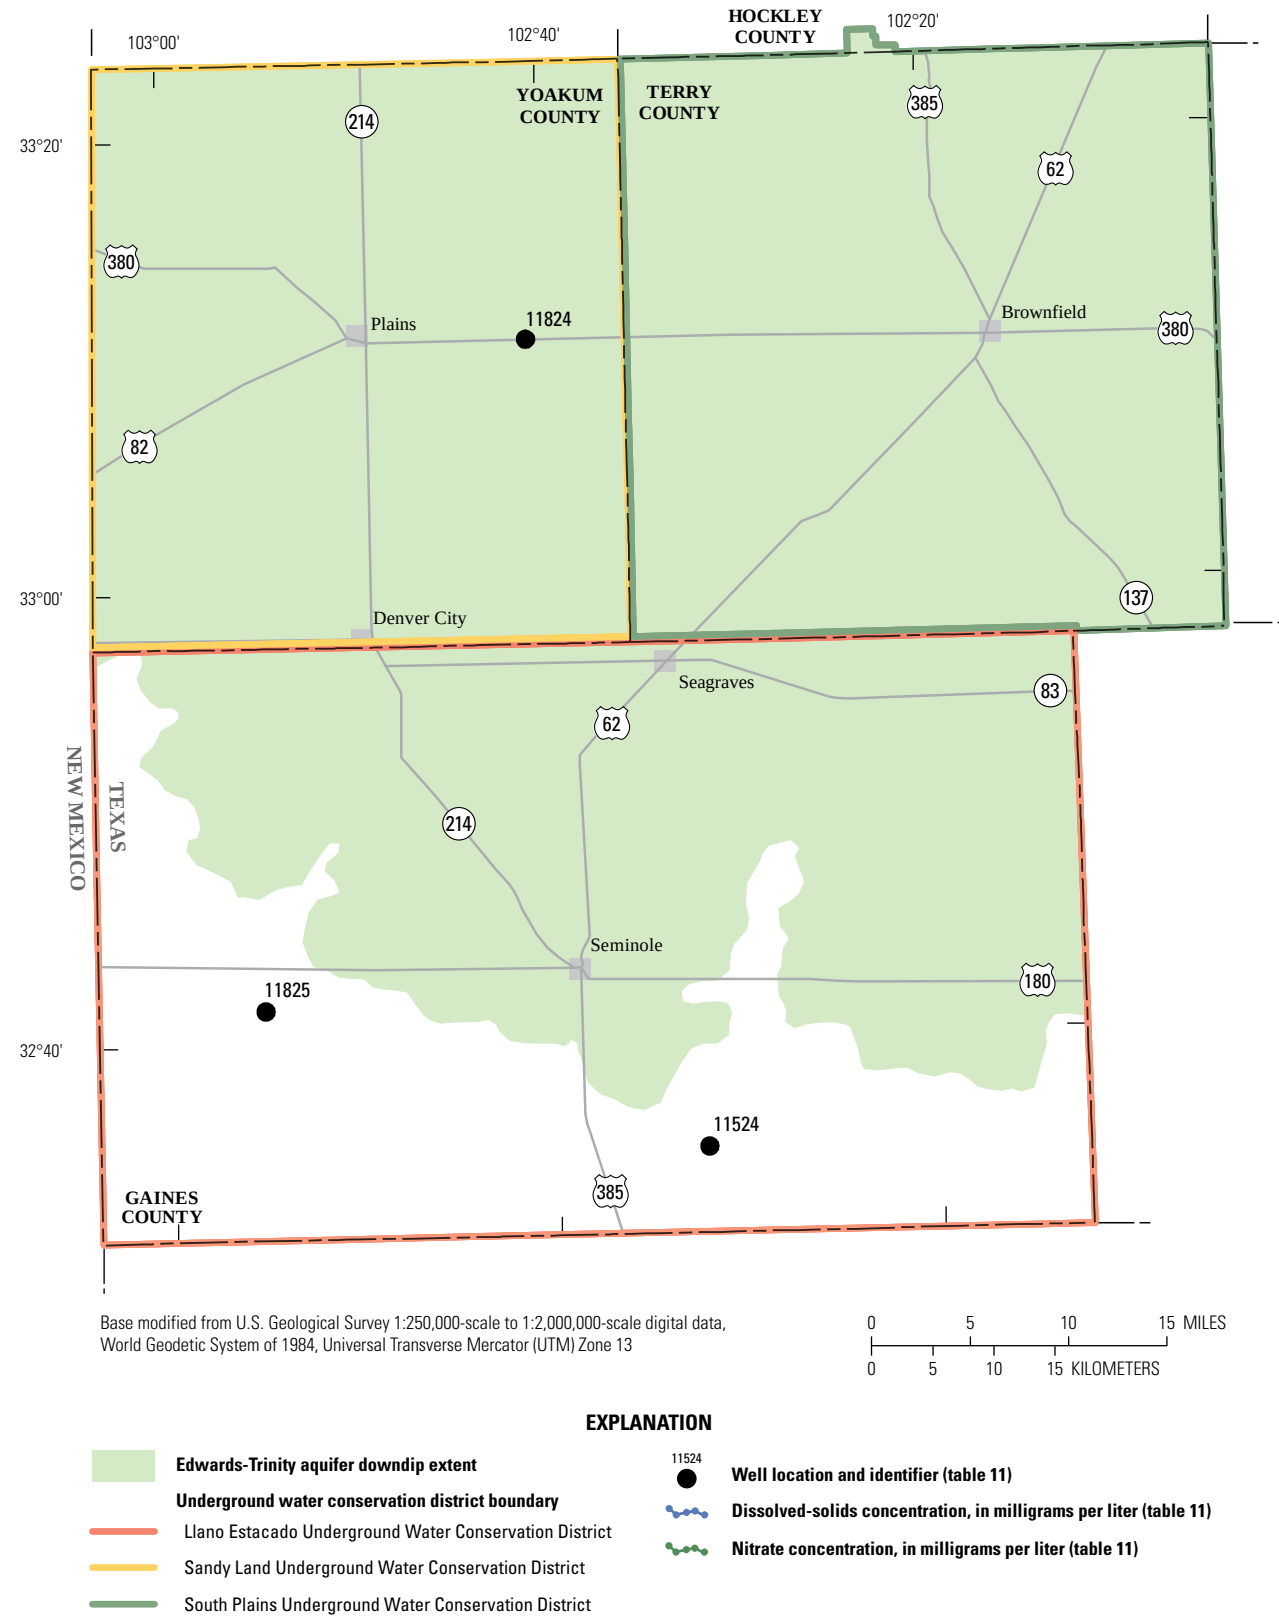

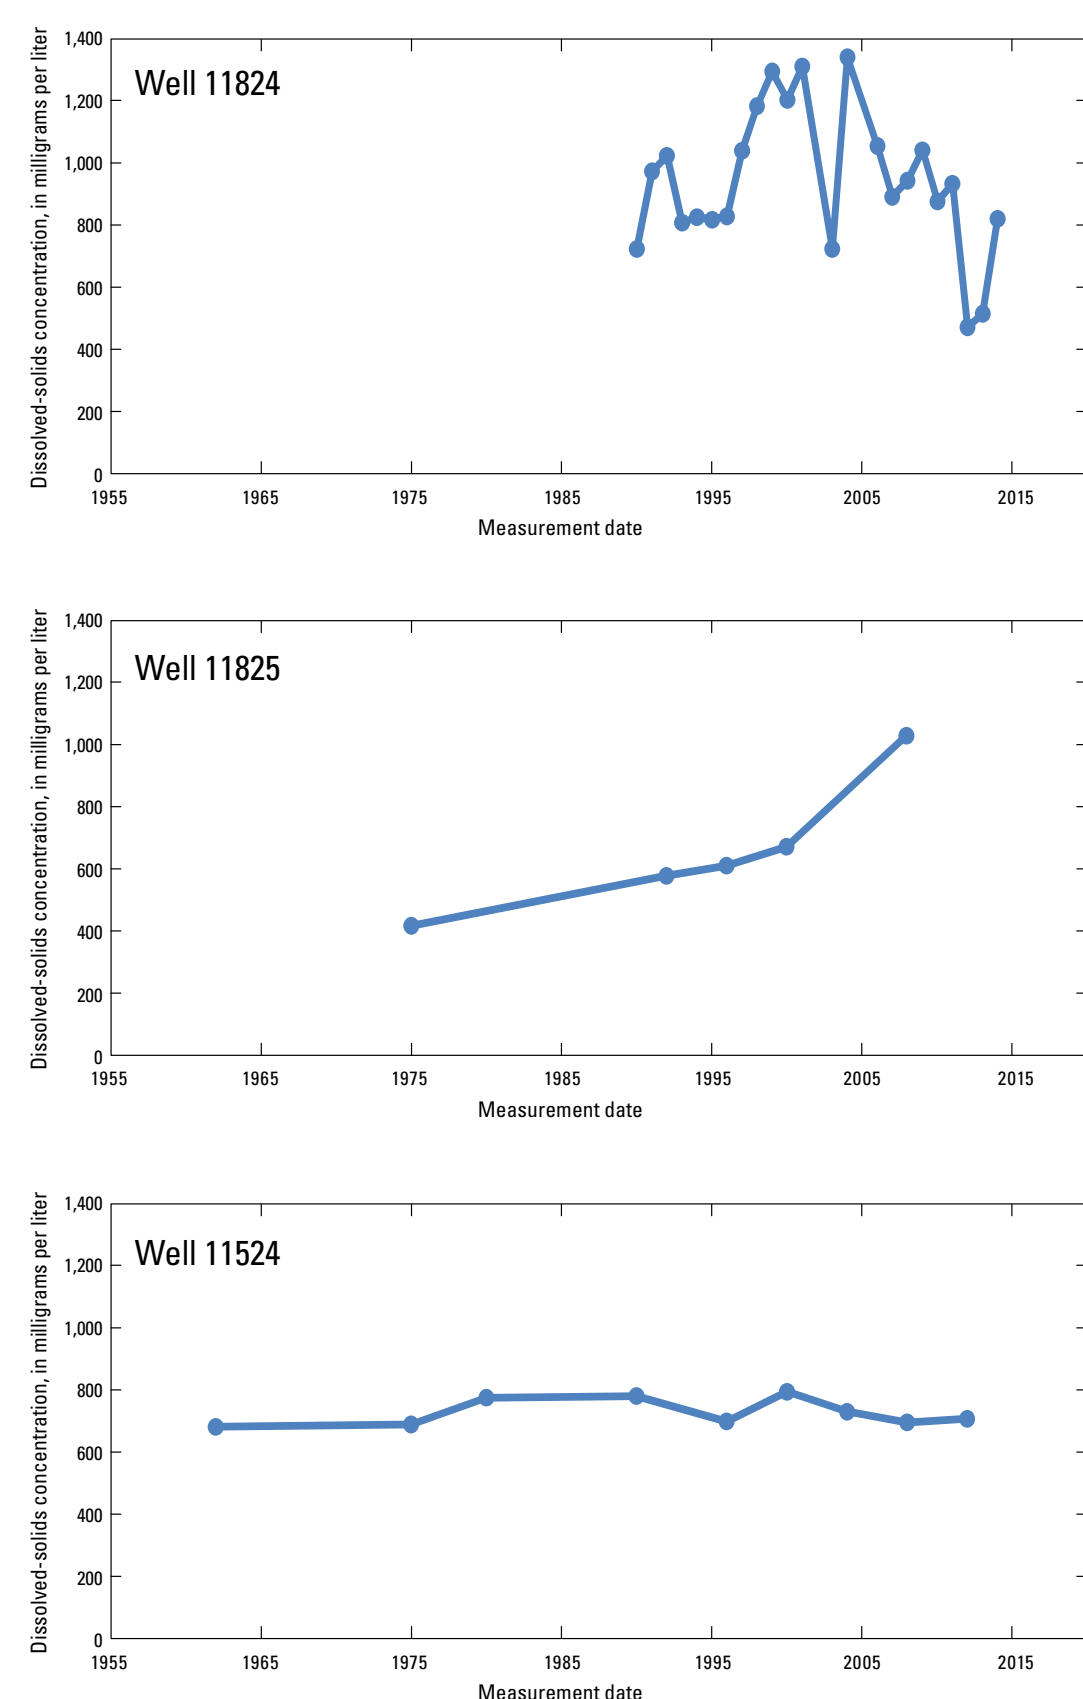

Figure 14. Well locations and water-quality sampling results of dissolved-solids and nitrate concentrations measured in samples collected from wells completed in the Ogallala aquifer in and near Gaines, Terry, and Yoakum Counties, Texas.

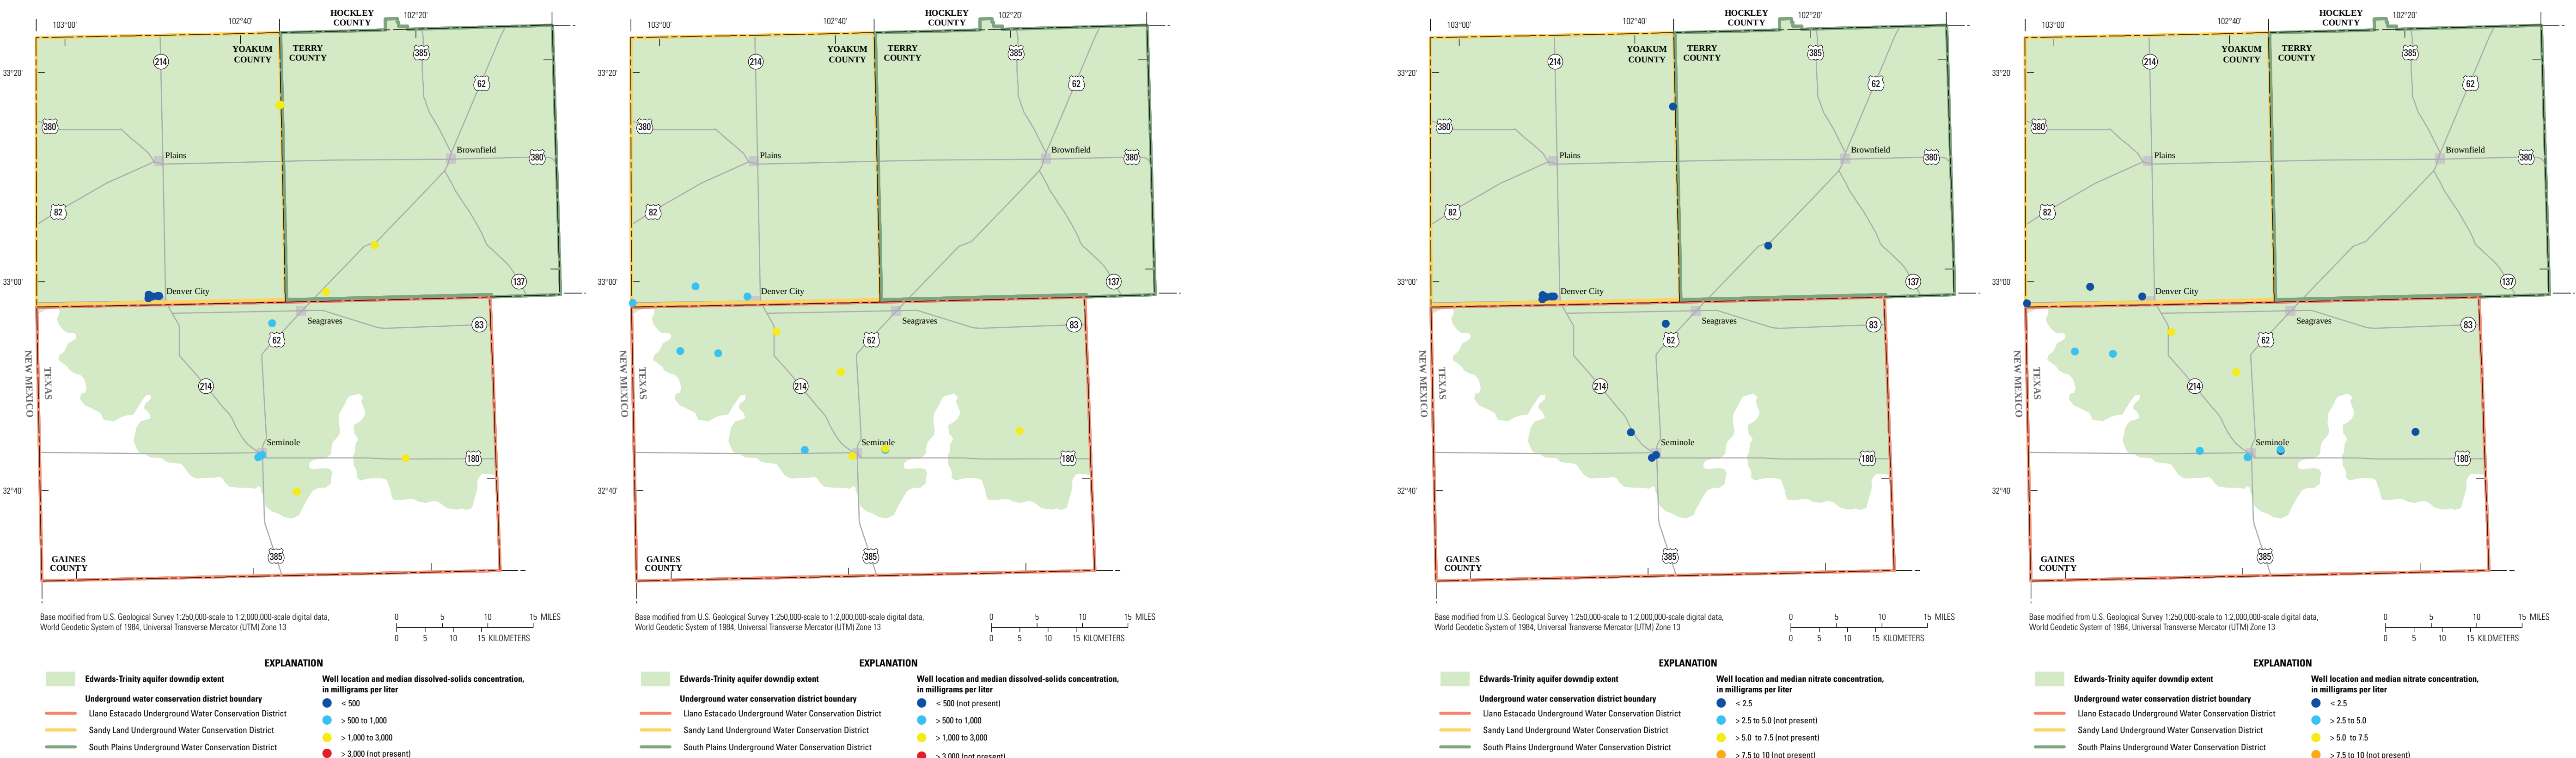

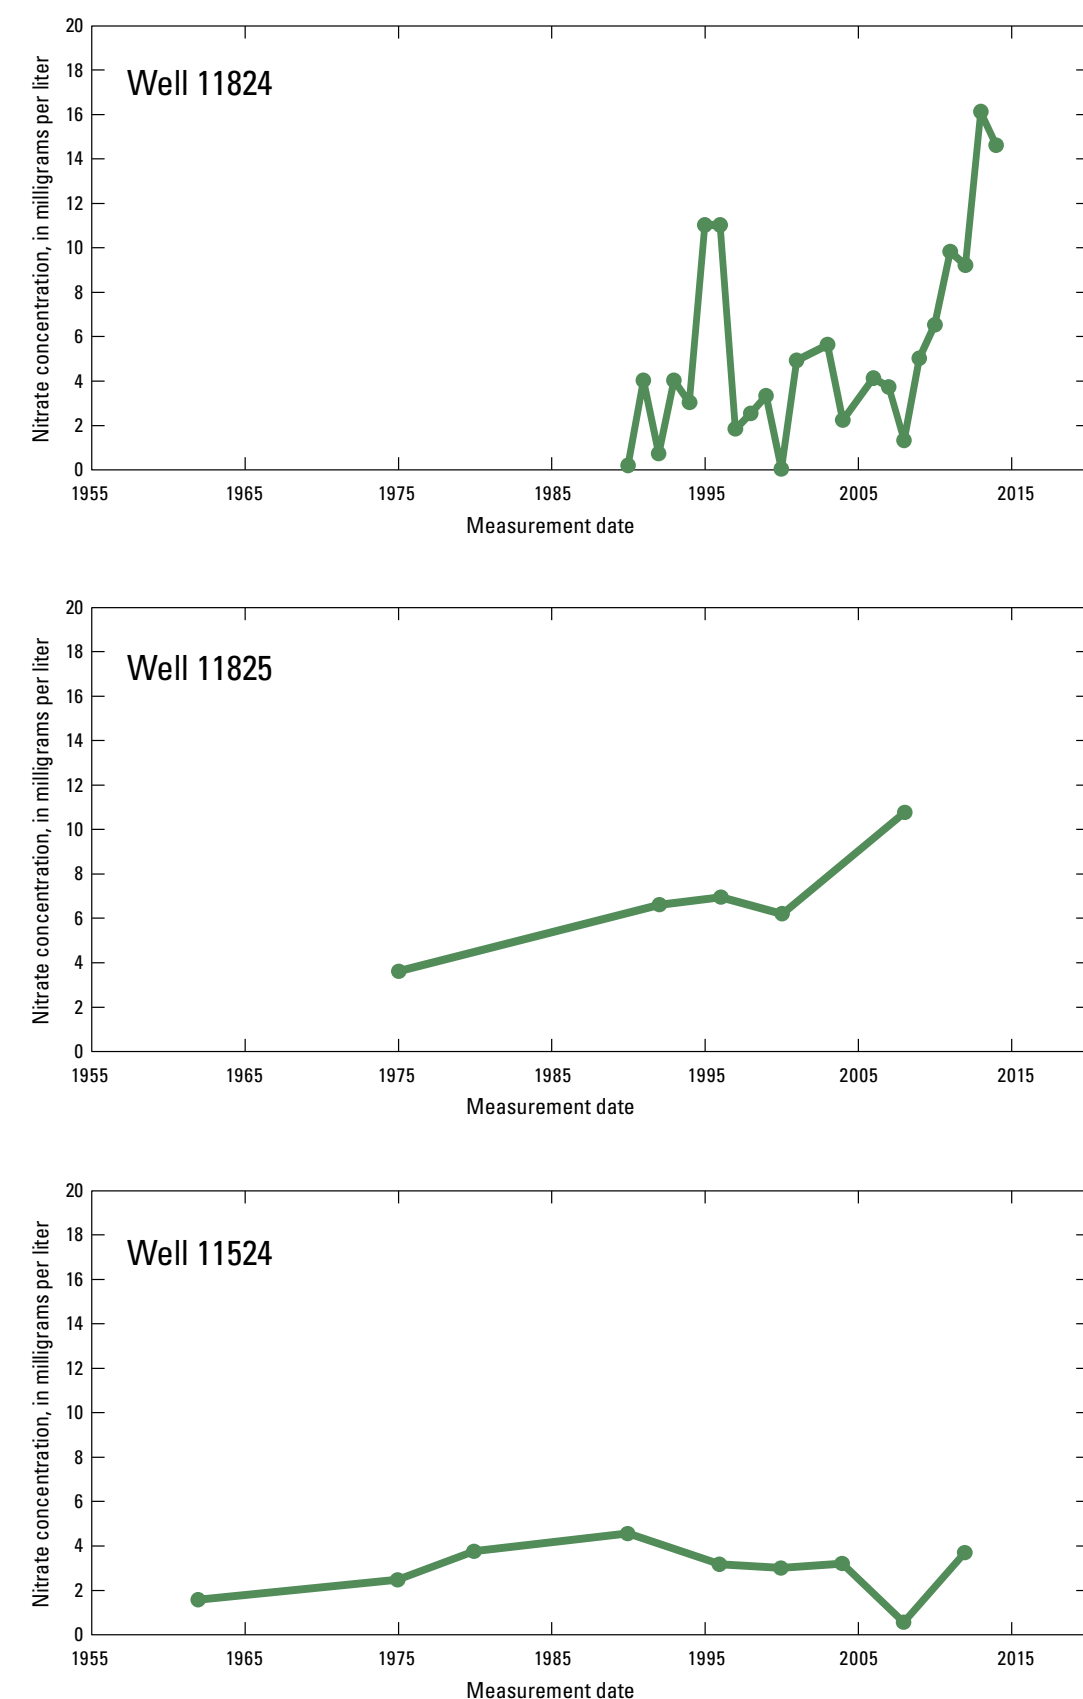

Figure 15. Early development period (1930–60) dissolved-solids concentrations measured in samples collected from wells completed in the Edwards-Trinity aquifer in and near Gaines, Terry, and Yoakum Counties, Texas.

Figure 16. Recent period (2005–15) dissolved-solids concentrations measured in samples collected from wells completed in the Edwards-Trinity aquifer in and near Gaines, Terry, and Yoakum Counties, Texas.

Figure 17. Early development period (1930–60) nitrate concentrations measured in samples collected from wells completed in the Edwards-Trinity aquifer in and near Gaines, Terry, and Yoakum Counties, Texas.

Figure 18. Recent period (2005–15) nitrate concentrations measured in samples collected from wells completed in the Edwards-Trinity aquifer in and near Gaines, Terry, and Yoakum Counties, Texas.

Changes Between Early Development (1930–60) and Recent (2005–15) Groundwater-Level Altitudes and Dissolved-Solids and Nitrate Concentrations In and Near Gaines, Terry, and Yoakum Counties, Texas

By

Jonathan V. Thomas, Andrew P. Teeple, Jason D. Payne, and Scott Ikard
