

Base from U.S. Geological Survey 1:100,000 Hawaii County topographic maps compiled from U.S. Geological Survey 1:24,000 quadrangle maps dated 1956-60.
Universal Transverse Mercator projection. North American Datum 1983.
Planimetry revised from aerial photographs taken in 1974 and other source data.
Revised information not field checked.
There may be private inholdings within the boundaries of the National or State Reservations shown on the map.

SCALE 1:65 000

1 1/2 0 1 2 3 4 5 MILES

1 5 0 1 2 3 4 5 6 7 KILOMETERS

CONTOUR INTERVAL 100 FEET

NATIONAL GEODETIC VERTICAL DATUM OF 1929

A map of the Hawaiian Islands with Maui highlighted in black. The word "HAWAII" is written to the left of the map, and "HAWAII" is written inside the outline of the main island.

Mapped by F.A. Trusdell and M.H. Zoeller
Digital database by F.A. Trusdell and M.H. Zoeller
Edited and cartographic production by M.E. Erdman
Manuscript approved for publication September 20, 2017

Kapāpala and Wood Valley Inundation Zones

By
Frank A. Trusdell and Michael H. Zoeller
2017
