MAP NOT INTENDED FOR NAVIGATIONAL USE

Base image modified from Esri © 2021 and its licensors; bathymetric contours from General Bathymetric Chart of the Oceans (GEBCO_2020) grid; elevation from IFASAR DSM Surface Model from Alaska DGGS Geospatial.
Arctic Research and Policy Act boundary from the U.S. Arctic Research Commission; population of U.S. cities from the 2020 U.S. Census; population of foreign cities from Esri © 2021 and its licensors, all other data from USGS The National Map. See map pamphlet for details and citations of individual datasets.

Users should be aware that temporal changes may have occurred since these data were collected and that some data may no longer represent actual surface conditions.

This map is not a legal document. Boundaries may be generalized for this map scale. Not all tribal or federal lands are shown. Private lands within government reservations may not be shown. Obtain permission before entering private lands.

Any use of trade, product, or firm names in this publication is for descriptive purposes only and does not imply endorsement by the U.S. Government.

This map or plate is offered as an online-only, digital publication. Users should be aware that, because of differences in rendering processes and pixel resolution, some slight distortion of scale may occur when viewing it on a computer screen or when printing it on an electronic plotter, even when it is viewed or printed at its intended publication scale.
