

**EXPLANATION**

Hydrogeologic units of the High Plains aquifer system

- Arikaree Group
- Brule Formation of the White River Group
- Ogallala Formation
- Undivided and Quaternary-age deposits
- Regional scale model area

**EXPLANATION**

Land-surface altitude, in meters above NGVD of 1929

- 531 to 540
- 521 to 530
- 511 to 520
- 501 to 510
- 491 to 500
- 481 to 490
- 470 to 480
