

Errata Sheet

U.S. Geological Survey Scientific Investigations Report 2010–5110

August 2010

On figure 3, page 6, the explanation for the red dashed line should read; Mean daily streamflow, in cubic feet per second, for period of record (see table 2).

The caption for figure 3 should read: Hydrographs showing streamflow and precipitation during submergence of passive samplers and historical mean daily streamflows at U.S. Geological Survey stream-gaging stations in jurisdictional areas of several tribes in central Oklahoma, January-February 2009.

On table 2, page 7, the title of the fourth column should read; Historical mean daily low flow/high flow for January 1 to February 28 (ft³/s).
