

**Figure C3**

Click on the label of a survey point  
 to view video of streambed.  
 Distance between laser points on  
 video is 4 inches.

Sediment facies class	
	BrkC
	BrkF
	BldCblGvIC
	BldCblGvIF
	SndC
	SndF
	SltF
	RprC
	RprF

**Codes:**  
 C, clean (no silt covering substrate)  
 F, fines (fines covering substrate)

**EXPLANATION**

Embeddedness average, in percent	
	0 to 20
	21 to 40
	41 to 60
	61 to 80
	81 to 100

**Survey line**  
**River mile**  
 RM 114  
**Survey point**—first eight digits in  
 point number indicate date of video,  
 for example: 10222009 = 10-22-2009;  
 the last number indicates the  
 sequence of filming for that date.
