Email MEMORANDUM

To: Brian V. Twining, Supervisory Hydrologist, IDWSC-INL, Idaho Falls, ID
James Bartolino, Groundwater Specialist, IDWSC, Boise, ID

From: Devin L. Galloway, WSFT—West Groundwater Specialist, USGS, Sacramento, CA

Subject: AQUIFER TEST— Analysis of a single-well, aquifer test, Eastern Snake River Plain, ID [USGS Well 136, INL].

The subject aquifer-test package (attached) is adequately documented and the analyses are technically sound. Please record the hydraulic property estimates in the USGS GWSI database. The subject aquifer test is approved for release to the Aquifer Test Archive (ATA). Please archive the data and the test package in the Idaho Water Science Center ATA.
